MOVED by Councillor Carella
seconded by Councillor DeFrancesca

That the recommendation contained in the following report of the Acting City Manager/Commissioner of Finance & City Treasurer and the Director of Financial Services, dated April 23, 2013, be approved:

CARRIED

Recommendation

The Acting City Manager/Commissioner of Finance & City Treasurer and the Director of Financial Services, in consultation with the Manager of Property Tax & Assessment recommend:

1. That the tax adjustments as outlined on the attached report be approved in accordance with the requirements under the Municipal Act.

Economic Impact

There is no economic impact to the City of Vaughan.

Communications Plan

As required by the Act, notification of this meeting has been sent to all applicants and persons in respect of whom the applications were made, at least 14 days prior to the meeting. Notices of Decisions will be issued to all applicants after the meeting of Council and these will detail the total amount of the adjustment and the right of the applicant to appeal the decision to the Assessment Review Board.

Purpose

To obtain Council approval for the apportionment of property taxes as permitted under the *Municipal Act, 2001*.

Background - Analysis and Options

Section 356 – Division Into Parcels:

Four (4) applications have been received to sever property that was returned on the roll as one parcel. The Municipal Property Assessment Corporation (MPAC) provides the City with a report outlining the value of each separate piece, and the taxes levied on the single piece are apportioned to the various parts in accordance with the assessment.

An apportionment does not result in a reduction or increase of taxes; it simply shares the taxes levied among the new parcels based on the apportioned value of assessment. Should any property owner disagree with the recommendation approved by Council, they can appeal the decision to the Assessment Review Board (ARB) for a further hearing.

Relationship to Vaughan Vision 2020

This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved.

Regional Implications

There are no Regional Implications in this Report.

Conclusion

Council approval of the recommendations in this report will allow staff to bill the separate property owners their proportionate share, and confirm their right to appeal the decision to the ARB. If no appeals are filed with the ARB, staff will proceed with the property tax apportionments.

87. **TAX ADJUSTMENTS PURSUANT TO SECTIONS 357 AND 358 OF THE MUNICIPAL ACT, S.O. 2001 - ALL WARDS**

No one appeared either in support of or in opposition to this matter.

MOVED by Councillor Carella
seconded by Councillor DeFrancesca

That the recommendation contained in the following report of the Acting City Manager/Commissioner of Finance & City Treasurer and the Director of Financial Services, dated April 23, 2013., be approved:

CARRIED

Recommendation

The Acting City Manager/Commissioner of Finance & City Treasurer and the Director of Financial Services, in consultation with the Manager of Property Tax & Assessment recommends:

1. That the tax adjustments as outlined on the attached report be approved.

Contribution to Sustainability

This is not applicable to this report.

Economic Impact

The City's share of these property tax adjustments is approximately \$109,362. A provision for tax adjustments has been budgeted.

Communications Plan

As required by the Act, notification of this meeting has been sent to all applicants and persons in respect of whom the applications were made, at least 14 days prior to the meeting. Notices of Decisions will be issued to all applicants detailing the total amount of the adjustment and the right of the applicant to appeal the decision to the Assessment Review Board.

Purpose

To obtain Council's approval for the increase or cancellation of property taxes as permitted under Section 357 and 358 of the *Municipal Act, 2001*.

Background - Analysis and Options

Sixty-nine (69) applications have been prepared for Council's consideration for the cancellation, reduction or refund of taxes for the current and prior tax years, under sections 357 and 358 of the *Municipal Act, 2001, as amended*. There are various reasons for tax adjustments such as property becoming exempt, roll numbers being cancelled by the Municipal Property Assessment Corporation (MPAC), buildings that have been demolished or razed by fire, and properties that have been over assessed by a gross or manifest clerical error. These tax adjustments do not relate to collection issues.

The total cancellation, reduction or refund of taxes, as recommended is \$608,859. The City portion of this amount is approximately \$109,362, or approximately 18%.

Approval of these adjustments will allow the applicant the right to appeal the decision to the Assessment Review Board.

Relationship to Vaughan Vision 2020

This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved.

Regional Implications

The Region's share of these property tax adjustments is approximately \$201,070 or approx. 33%.

Conclusion

Council approval of the applications in this report will allow staff to proceed with the property tax adjustments as applicable. Council approval also gives the applicant the right to appeal the decision to the Assessment Review Board if so desired.

Communications Plan

The Corporate Communications Department posts proclamations issued by the City on the City’s website under “Events – Proclamations” and on the City Page Online.

Purpose

To respond to the request received from the Chairperson of The York Centre for Children, Youth & Families, dated April 4, 2013.

Background - Analysis and Options

The correspondence received from the Chairperson of The York Centre for Children, Youth & Families, dated April 4, 2013, is attached (Attachment 1). Since this request was received too late to be placed on the last Committee of the Whole Agenda, and the report of Committee of the Whole meeting of April 30, 2013 will not be approved by Council until its meeting of May 14, 2013, due to the time-sensitivity of the proclamation request to proclaim May 5 – 11, 2013 as “Children’s Mental Health Week”, Council is being requested to consider the proclamation as an addendum item.

The proclamation request meets the City’s Proclamation Policy, as follows:

“That upon request, the City of Vaughan issue Proclamations for events, campaigns or other similar matters:

- (i) which are promoted by any organization that is a registered charity pursuant to Section 248 of the Income Tax Act”

The York Centre for Children, Youth & Families, comprised of 3 children’s mental health agencies in York Region (Blue Hills Child & Family Centre, Kinark Child & Family Services and The York Centre for Children, Youth and Families) has requested that the City publicize this proclamation in an effort to raise awareness of children’s mental health issues. One in 5 children experiences mental health problems and frequently these problems are not diagnosed or treated and may become more serious.

The York Centre for Children, Youth & Families have scheduled a variety of activities during “Children’s Mental Health Week” in order to achieve their goals to promote good mental health; increase public awareness; encourage parents to seek help and provide information on services available in York Region. Council has previously granted this proclamation request in previous years.

Relationship to Vaughan Vision 2020/Strategic Plan

This report supports the strategic priorities established by Vaughan Vision 2020 plan:

Service Excellence

- Promote Community Safety, Health & Wellness

Regional Implications

This proclamation will raise awareness of children’s mental health issues within the Region.

Conclusion

Staff is recommending that May 5 - 11, 2013 be proclaimed as “Children’s Mental Health Week”, and that the proclamation be posted on the City’s website and published on the City Page Online.
