Item 3, Priorities Report No. 6 – Page 2

3. THAT City staff continue to work toward the development of an Urban School prototype with a Public Sector stakeholder group, including but not limited to, York Region District School Board, Catholic District School Board, Region of York and the Province respecting the development of urban schools.

In addition, the Sub-committee recommended that the City of Vaughan request the Province of Ontario to host a stakeholders workshop with municipalities, government agencies, school boards, owners, BILD and Vaughan Public Libraries to explore solutions to the urban school challenge. Council's approval is required to implement this recommendation, the facilitation of which is the purpose of this report.

Background – Analysis and Options

At its meeting of November 13, 2013, the Sub-committee considered a report from the Commissioner of Planning which provided an update on the status of the January 2012 Suburban and Urban School Site Design and Buildings Workshop and the progress to date on addressing concerns raised by stakeholders on the issue of achieving urban schools in the City of Vaughan, particularly as it pertains to the Vaughan Metropolitan Centre.

The report is embedded in the Sub-committee's report to the Priorities and Key Initiatives Committee and is listed on the agenda for the Priorities and Key Initiatives Committee's November 25, 2013, meeting.

Relationship to Vaughan Vision 2020/Strategic Plan

The deliberations of the VMC Sub-committee are in support of one of Council's key initiatives in the Vaughan Vision 20/20 Plan.

Regional Implications

The Region of York would be one of the stakeholders involved in a workshop on urban schools.

Conclusion

The VMC Sub-committee's recommendation to request the Province of Ontario to host a stakeholders workshop with municipalities, government agencies, school boards, owners, BILD and Vaughan Public Libraries, to explore solutions to the urban school challenge, is being forwarded for Council's consideration.
