#### **Communications Plan**

The pertinent City departments will be notified of the assumption of this subdivision.

#### **Purpose**

The purpose of this report is to inform Council that the municipal services constructed pursuant to the Subdivision Agreement between Lindvest Properties (Bathurst Mackenzie) Limited and the city are complete and can be considered for assumption by the City.

#### **Background - Analysis and Options**

The Lindvest Phase 2 Subdivision, Plan of Subdivision 65M-4191 is a residential development comprised of 31 single lots and 96 townhouse units, located south of Major Mackenzie Drive West and west of Bathurst Street in Ward 4 as shown on Attachment No.1.

The Subdivision Agreement with Lindvest Properties (Bathurst Mackenzie) Limited was executed on June 4, 2010 and the Plan of Subdivision was subsequently registered on September 7, 2010. The construction of the roads and municipal services in Plan 65M-4191 was considered substantially complete on October 28, 2013.

The Developer has maintained the municipal services in the subdivision during the required minimum thirteen month maintenance period and has rectified all deficiencies with the exception of certain landscape works. All documents required for assumption have been received and the grading of all lots in the subdivision has been certified by the developer's engineering consultant.

Development inspection staff, in conjunction with the Developer's Consulting Engineer, has conducted all necessary inspections of the municipal services and are now satisfied with the extent of the work. Development Planning staff has advised that deficiencies related to minor streetscaping items have yet to be completed and are requesting financial securities in the amount of \$10,000 be retained to ensure all works are completed.

Clearances have been received from all pertinent City Departments including Development Engineering and Infrastructure Planning Services, Development Planning, Building Standards, Transportation Services and Parks and Forestry Operations, Development Planning, Parks Development, Environmental Services, and Clerks. In addition, the Development Finance & Investments Department has confirmed that all of the City's financial requirements associated with this subdivision have been satisfied.

Accordingly, Lindvest Properties (Bathurst Mackenzie) Limited has requested the municipal services constructed in conjunction with the Lindvest Phase 2A Subdivision Agreement be assumed by the City.

#### **Relationship to Vaughan Vision 2020**

The development of this subdivision and the assumption of the municipal services are consistent with Vaughan Vision 2020, which encourages management excellence through planned and managed growth and the maintenance of City assets and infrastructure. This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved.

#### **Regional Implications**

There are no Regional implications with respect to the assumption of the municipal works within this subdivision development.
