Communications Plan

Public notice of the development charges semi-annual adjustment is through the agenda process.

Purpose

To obtain Council approval to index the City of Vaughan Development Charges pursuant to the semi-annual adjustment provision in the respective City of Vaughan Development Charge By-laws.

Background - Analysis and Options

The Development Charges Act authorizes municipalities to pass By-laws for the recovery of growth related capital costs incurred to provide services to all new development and re-development. A clause in each of the City of Vaughan's Development Charge By-laws states the development charges may be adjusted semi-annually without amendments to the by-laws, as of the 1st day of January and the 1st day of July in each year in accordance with the most recent change in the Statistics Canada Quarterly, Construction Price Statistics (catalogue No. 62-007 Table 327-0043).

In order to reflect economic conditions and based on a review of the Statistics Quarterly Construction Price Statistics (catalogue No. 62-007 Table 327-0043), the City Wide Development Charges and Special Service Area Development Charge Rates should be increased by 0.1% which reflects the six (6) month increase in the Statistics Quarterly Construction Price Statistics Index (catalogue No. 62-007 Table 327-0043) for the period October 1, 2012 to March 31, 2013.
