Item:

Committee of the Whole Report

DATE: Tuesday, May 08, 2018 **WARD(S):** 4

**TITLE: TESMAR HOLDINGS INC.
ALLOCATION OF SERVICING CAPACITY
DEVELOPMENT FILE DA.14.037**

FROM:
Stephen Collins, Deputy City Manager, Public Works

ACTION: DECISION

Purpose

The purpose of this report is to seek approval from Council for the allocation of servicing capacity to Development Application File Number DA.14.037 pursuant to the City's Servicing Capacity Distribution Protocol.

Report Highlights

- To recommend the distribution of servicing capacity to an active development application.

Recommendations

1. THAT Development Application File Number DA.14.037 be ALLOCATED servicing capacity from the York Sewage / Water Supply System for a total of 559 residential units (1,235 persons equivalent).

Background

The subject lands comprise 1.67 hectares at the northeast corner of Jane Street and Riverrock Gate. Applications for Official Plan Amendment, Zoning By-law Amendment

and Site Development Approval (Files OP.05.020, Z.07.029, DA.14.037) were made by the applicant and subsequently appealed to the Ontario Municipal Board.

The Ontario Municipal Board has approved the site development application for two residential towers of 23 and 20 storeys above a 6-storey podium

On January 25, 2018 and January 26, 2018, in an oral decision, the Ontario Municipal Board (OMB) approved the applications which will facilitate the development of the subject lands for two (2) residential towers of 23 and 20 storeys above a 6-storey podium, for a total of 559 residential units. The concept includes vacant lands that may be developed as a future phase and will require a minimum of 5,000 square metres of non-residential gross floor area to be included in a minimum 3-storey building.

Analysis and Options

Servicing capacity remains available within the York Sewage/Water Supply System to accommodate new growth throughout the City

The City's last annual servicing capacity distribution update report was approved on February 21, 2018 by Council. The report concluded servicing capacity remains available within the York Sewage / Water Supply System to accommodate new growth throughout the City. Based on the OMB's January 25 and 26, 2018 oral decision, staff is recommending servicing capacity be allocated to the above noted site plan.

Financial Impact

Not applicable.

Broader Regional Impacts/Considerations

Servicing capacity allocated to this site plan is available.

Conclusion

In order to accommodate priority development applications approved since the last annual servicing capacity distribution update report, it is appropriate to allocate to the above noted development application at this time.
