MEMORANDUM OF ORAL DECISION DELIVERED BY JASON CHEE-HING ON July 23, 2013 AND ORDER OF THE BOARD

- [1] At this hearing the Board dealt with a motion brought by the City of Vaughan ("City") which sought an Order approving portions of the Vaughan's Official Plan ("OP") 2010 save and except those policies and land use schedules which remain under appeal on an area or site specific basis.
- [2] The Board also addressed other matters relating to the request for party status by the Brownridge Ratepayers Association ("BRA") and other entities.
- [3] The number of appeals against the Vaughan OP 2010 has risen to 132.
- [4] Bruce Engel and Claudia Storto, solicitors for the City gave submissions on its motion. The motion was not contested and involved extensive discussions among the Appellants/Parties. The Board was satisfied with the grounds for the motion and granted

the motion to bring the portions of the OP not under appeal into force. The Board's Order which is effective as of July 23, 2013 is provided as Attachment 2.

- [5] With respect to the appeals filed since the last pre-hearing conference ("PHC"), the City reserves the right to challenge the appellants' status and the validity of these appeals (Appeals No. 123-128, 132). With respect to Appeals No. 129-131, Quinto Annibale, solicitor for these appellants requested the Board to officially recognize their status as Appellants. The Board will wait until the appeal letters are received by its administrative staff.
- [6] At the last PHC held on May 28, 2013, in response to the BRA's request for party status, the Board directed Mario Racco, spokesperson for the BRA to provide in writing a clear statement of its position and whether its concerns extend to the site-specific appeals and if so which ones. At the last PHC, counsel for a number of Appellants expressed concerns over the grounds for BRA's request as it related to their client's appeals.
- [7] Upon review of the BRA's written statement of its position and the responses by counsel for some Appellants, the Board determined that at this time, it is premature to determine the status of the BRA. Mr. Rocco in his email correspondence dated June 13, 2013 indicated concerns not only within the boundaries of the BRA but also general concerns relating to a casino and s. 37 (*Planning Act*) benefits within the Vaughan Metropolitan Centre ("VMC") area. The VMC is not within the BRA's defined boundaries. Many appellants particularly those within the VMC remain opposed to the BRA's request for party status.
- [8] The Board provided the BRA with a further opportunity to provide more detailed reasons for its request for party status and directed Mr. Racco to provide a written submission by August 19, 2013. Any written responses to the BRA's submission are to be made no later than August 28, 2013. The Board will review the BRA's request at the next PHC to be held on **Tuesday**, **September 10**, **2013** at **10** a.m. at:

Multipurpose Room
City of Vaughan
2141 Major Mackenzie Drive
Vaughan ON L6A 1T1

- 3 - PL111184

[9] The Board granted party status to Maria Pandolfo, Yolanda Pandolfo, Laura Pandolfo, Guiseppe Pandolfo, and Cathy Campione. These individuals own lands located within Blocks 40/47 which are the subject of an appeal (Appeal 28) by the Block 40/47 Developers Group Inc. The request for party status is in connection with this appeal.

ORDER

- [10] The Board orders that those portions of the Vaughan OP 2010 not under appeal as set out in Attachment 2 are approved and effective as of July 23, 2013.
- [11] This panel of the Board will continue with the case management of these appeals.

THESE MATTERS having come on for a public hearing,

THE BOARD ORDERS that in accordance with the provisions of section 17(50) of the *Planning Act*, R.S.O. 1990, c. P.13, as amended, in respect of the City of Vaughan Official Plan (2010) (the "**Plan**"), as adopted by the City Vaughan (the "**City**") on September 7, 2010 subject to Council modifications on September 27, 2011, March 20, 2012 and April 17, 2012 and as modified and endorsed by the Regional Municipality of York (the "**Region**") on June 28, 2012, and filed as Exhibit 5 in these proceedings, those portions of the Plan as set out in Schedule "B" attached to and forming part of this Order are hereby approved, save and except those policies and land use schedules set out in Schedule "C", which shall remain under appeal on a site-specific or area-specific basis as indicated.

AND THE BOARD ORDERS that the partial approval of the Plan shall be strictly without prejudice to, and shall not have the effect of limiting, (a) the rights of a party to seek to modify, delete or add to the unapproved policies, schedule, maps, figures definitions, tables and associated text in the Plan, or (b) the jurisdiction of the Board to consider and approve modifications, deletions or additions to the unapproved policies, schedules, maps, figures, definitions, tables and associated text in the Plan on a general, area-specific or site-specific basis, as the case may be, provided that the parties shall be bound by the commitments made by them to scope their issues to a site specific or area specific basis.

AND THE BOARD FURTHER ORDERS that the scoping of appeals to a specific site or area, as shown on Schedule "C", is without prejudice to the positions taken by the parties to those appeals so that if those appeals proceed to a hearing, either on their own or as may be consolidated with other site specific appeals, the City will not take the position that the Board ought not to approve site-specific or area-specific modifications to the affected policies, schedules, maps, figures, definitions, tables and associated text on the basis that they deviate from or are inconsistent with such policies, schedules, maps, figures, definitions, tables and associated text on a City-wide basis (or as approved in respect of other lands which are subject to the same policies, schedules, maps, figures, definitions, tables and associated text). However, this does not affect the City's right to assert that the approved policies, schedules, maps, figures, definitions, tables and associated text should be applied to the specific sites or areas without modification on the basis that they constitute good planning.

Notwithstanding the above, the Board hereby retains jurisdiction to consider and approve modifications to any policies, schedules, maps, figures, definitions, tables and associated text approved herein, as may be appropriate to dispose of any of the outstanding appeals before the Board.

AND THE BOARD FURTHER ORDERS that the partial approval shall not apply to the extent of the Parkway Belt West Lands designations in Schedules 1 and 13, as they relate to: (1) the area bounded by Highway 407 to the north, Martin Grove Road to the west, the railway line to the south, and a line joining the northern and southern portions of Kipling Avenue to the east, and (2) the area bounded by Highway 7 to the north, Highway 407 to the south and east, and the railway line to the west. In these areas, the extent of the Parkway Belt West Lands designations remains before the Board, such that the boundaries of the designations may be altered as the Board deems appropriate.

AND THE BOARD FURTHER ORDERS that in respect of Appeals 118, 129, 130 and 131 no land budget argument including, without limitation s. 2.1.3.2(b), will be raised by any current or future appellant, party or participant, the City or the Region to preclude a change in the proposed residential designation of the lands that are the subject of those appeals.

- 12 - PL111184

AND THE BOARD FURTHER ORDERS that the Pending Appeals filed in respect of the Plan, as depicted on Schedule "C" hereto, shall be determined through the hearing process or as otherwise consented to by the parties and approved by the Board.

AND THE BOARD FURTHER ORDERS that it may be spoken to in the event any matter or matters should arise in the connection with the implementation of this Order, including disputes over whether Schedule "C" hereto appropriately identifies the ambit of an appeal.
