

Pine Valley Drive Watermain Replacement and New Sidewalk Construction

To upgrade the infrastructure in your area, in the summer of 2020 the City of Vaughan will begin watermain replacement and new sidewalk construction on Pine Valley Drive as listed below.

PLANNED CONSTRUCTION WORK

Pine Valley Drive	Watermain Replacement*	New Sidewalk Construction
Chancellor Dr. / Willis Rd. to Langstaff Rd.	●	●
Embassy Dr. to Chancellor Dr. / Willis Rd.		●
Strada Dr. to Highway 7		●

*Including water service connections to the property line

The project is currently in the final stage of design for the new sidewalk and replacement of the existing watermain. The new sidewalk will be constructed on the east side of Pine Valley Drive.

Construction is projected to commence in the summer of 2020.

CONSTRUCTION IMPACTS

Prior to starting construction, an updated newsletter will follow providing construction timelines and more details.

The City appreciates your cooperation and patience as we work to upgrade this infrastructure. For more information about this project, please contact the Project Lead.
