

APPROVED QUALIFIED COMPANY LIST

BACKFLOW PREVENTION PROGRAM

Only these companies listed below have registered with the City of Vaughan and shall carry out the corresponding functions set out in this list.

Impacted property owners will have the ability to use another contractor that is not posted on this list. The contractor must provide the City with all required documents as outlined under the Authorized Function List along with a registration fee for the review and approval process before they commence any work.

Please note that the City of Vaughan will not recommend or endorse any Qualified Company and/or Qualified Person(s) registered to this program. Under no circumstances will the City of Vaughan be responsible or liable to any contractors completing works done pursuant to the Backflow Prevention By-law, nor to any property owner procuring services pursuant to the Backflow Prevention By-law.

The City of Vaughan operates independently from all companies on this list and strongly recommends you obtain several quotes and references before selecting a Qualified Company.

****IMPORTANT**** Building (Plumbing) Permits are required for all installations and alterations to plumbing systems. To apply and obtain a permit, please contact the City of Vaughan Building Standards Department located within City Hall at 2141 Major Mackenzie Dr. at 905-832-8510.
