

MAYOR FOR A DAY

Mayor Steven Del Duca is proud to announce the first ever, ***Mayor for a Day*** Contest!

This is an exciting opportunity to engage with students and share with them what a day in the life of the Mayor is like. The day will include meetings, a visit to Council Chambers and a tour of City Hall and our departments. Throughout the day, the students will learn more about municipal government, city-building initiatives and issues facing our community.

Students are encouraged to apply by providing their two best ideas to help improve our city.

Applications will be accepted from **April 17 until May 22, 2023**.

The successful applicant will be contacted within a week of the application deadline.

Mayor for a Day will take place in June. The date will be sent to the successful applicant.
