A message from the Mayor

The sounds of summer would not be complete without the City's award-winning annual Concerts in the Park series. As part of Vaughan's commitment to fostering active, engaged and inclusive communities, we are pleased to host this year's series that features brilliant artists and exciting performances. Our events team has once again curated an outstanding lineup of entertainers to suit various musical tastes. I want to thank each performer for sharing their time and talent with our community.

Enjoy the shows!
