

Road Rehabilitation

MAY 2023

NEWSLETTER #2

Huntington Road

What improvements are being made

The City of Vaughan will be undertaking road rehabilitation work on Huntington Road, from Rutherford Road to McGillivray Road. The scope of work includes road drainage improvement, grading and asphalt paving.

The project design phase is complete with construction anticipated to begin in summer 2023.

Construction impacts

Access to private and commercial driveways/entrances will be impacted during construction. Work in the area of commercial driveways/entrances will be staged to minimize impact to access during business hours.

Huntington Road will remain open to vehicular traffic during construction. Temporary lane restrictions will be required to allow construction activities to proceed in a safe and efficient manner.

Project updates

Newsletter #3 will be issued prior to construction on Huntington Road to provide further details including approximate construction start and end dates.

Visit vaughan.ca/InfrastructureProjects for updates.
