CITY OF VAUGHAN NOTICE SIGN(S) REQUIREMENTS & NOTIFICATION PROTOCOLS

The *Planning Act* requires that formal notice be provided to the public once a *Planning Act* application has been deemed complete by a municipality [Sections 22 (6.4), 34 (10.7), and 51(19.4) of the *Planning Act* and O. Reg. 543/06, O. Reg. 544/06, and O. Reg. 545/06] and that formal notice also be provided to the public once a Public Meeting has been scheduled by a municipality [Sections 17 (17), 34 (13), and 34 (14.1) of the *Planning Act* and O. Reg. 543/06, O. Reg. 544/06, and O. Reg. 545/06].

The Applicant is required to install the Official Plan Amendment/Zoning By-law Amendment/Draft Plan of Subdivision/Draft Plan of Condominium (for Common Element and Vacant Land) Notice Sign(s) in accordance with the following requirements:

1.0 Timing of Notice Sign(s) Installation and Details

- 1.1 Notice of Complete Application (Official Plan Amendment, Zoning By-law Amendment, Draft Plan of Subdivision and Draft Plan of Condominium)
 - 1.1.1 The Notice Sign(s) shall be installed within fifteen (15) days after the date on which the confirmation of complete application is issued by the Planning Department.
- 1.2 Notice of Public Meeting (Official Plan Amendment and Zoning By-law Amendment)
 - 1.2.1 Once the Public Meeting date has been confirmed by the City, the Applicant must install either a Notice Sign(s) or a decal overlay on the existing Notice Sign(s) on the property, a minimum of twenty (20) days prior to the scheduled date of the Public Meeting [Section 34(17)(19)]. Please refer to Section 6.0 for the details to be included on the Notice Sign(s) or decal overlay.
- 1.3 Combined Notice of Complete Application and Public Meeting (Official Plan Amendment and Zoning By-law Amendment)
 - 1.3.1 Should the Public Meeting date be scheduled and confirmed by the City within the fifteen (15) days following the confirmation of a complete application(s), the Applicant is permitted to install a combined Notice Sign(s) on the property [O. Reg. 543/06 s. 11(2), and O. Reg. 545/06 s. 3(2)] The Notice Sign(s) shall meet all the requirements noted in Section 1.1 and 1.2 above.
- 1.4 The Owner is required to provide to the satisfaction of the Planning Department:
 - 1.4.1 Photographic proof that each Notice Sign(s) has/have been installed correctly with the correct information and details;
 - 1.4.2 A map or aerial showing the location of the installed Notice Sign(s); and,
 - 1.4.3 An original signed copy of the Sign Declaration, as shown on Appendix I, indicating that the Notice Sign(s) has/have been installed.
- 1.5 **NOTE:** if the items listed under Sections 1.2.1 or 1.3.1, and 1.4 above are not received a minimum of twenty (20) days prior to the scheduled date of a Public Meeting, the Public Meeting will be rescheduled to a later date and may result in the delay of processing the application(s).

2.0 Material and Paint

- 2.1 The Notice Sign(s) shall be constructed of a minimum 20 millimetre exterior grade plywood panel with horizontal wood stringers to be located behind the top, bottom and centre of the Notice Sign(s) panel.
- 2.2 The Notice Sign(s) panels and all structural members shall be painted on all sides and edges with two coats of white exterior type matte finish alkyd (oil based) paint over a suitable primer.

3.0 Size

- 3.1 The minimum size of the Notice Sign(s) shall be as shown on the “Sign Detail” in Section 10.0 of this document, being 2.4 metres wide by 1.2 metres high with a minimum ground clearance of 0.9 metres to a maximum of 1.2 metres ground clearance. The Notice Sign(s) must be mounted to the supports with minimum 12 millimetre hex bolts and nuts with washers on both sides.

4.0 Notice Sign(s) Supports

- 4.1 The Notice Sign(s) supports must be able to sustain the weight of the Notice Sign(s) for a considerable period of time and through various climatic conditions (i.e. heavy winds) to ensure that it does not fall over or is damaged. Therefore, the Notice Sign(s) must be mounted in a manner to ensure stability. Accordingly, concrete footings are recommended to be formed against undisturbed and well-drained soil to a minimum depth of 1.3 metres with a compressive strength of 25 megapascals at 28 days.
- 4.2 Should the Notice Sign(s) fall over or not withstand weather conditions, the City will request the Notice Sign(s) to be reinstalled as per the guidelines contained herein.

5.0 Location

The Notice Sign(s) shall be located 1.5 metres from the property line along each street frontage of the property and midway between the opposing boundaries, and/or as directed by the Planning Department. In addition, a Notice Sign(s) shall be installed on the lands subject to an application where they abut the end of a street located on adjacent lands. The Notice Sign(s) shall be clearly visible and unobstructed from view.

6.0 Wording and Lettering

- 6.1 As part of the Pre-Application Screening (PAS) submission package for an Application(s), the Applicant shall have completed the proposed wording for the Notice Sign(s) and the maps as shown on the “Notice Sign(s) Detail” in Section 10.0. The proposed wording and map/image for the Notice Sign(s) must be reviewed and approved by the Planning Department, and necessary changes made where required.
- 6.2 The same notice sign which was approved through the PAS review process shall be included with the formal submission of an Application(s).
- 6.3 The basic wording details on the Notice Sign(s) detail below must be adhered to, including the following:

- 6.3.1 The type of application (Official Plan Amendment, Zoning By-law Amendment etc.) and a description of the proposal including key statistics. This can include but is not limited to: type of use, height in storeys, number of units, Gross Floor Area etc.;
- 6.3.2 A listing of the Owner and Agent, and reference to the Planning Department phone number and file number(s);
- 6.3.3 The date the Application(s) was deemed complete.
- 6.3.4 The date, time, meeting location and live stream link of the Public Meeting*;
- 6.3.5 A note at the bottom left-hand corner of the Notice Sign(s) indicating “Date Notice Sign(s) Installed”; and,
- 6.3.6 A note across the bottom of the Notice Sign(s) that states: “This application is currently under review by the City of Vaughan” in a **red** font colour in capital lettering.

*If the Public Meeting has not yet been scheduled at the time of the Notice Sign(s) posting, a decal overlay placed on the existing erected Notice(s) Sign is acceptable with the information as required in 6.2.3 above. The decal overlay draft must be sent and approved by the Planning Department prior to its posting.

- 6.4 The Notice Sign(s) shall be professionally lettered or silk-screened with the lettering to be in black on a white background and shall be clearly legible from the street line, as shown in Section 10.0.

7.0 Mapping and/or Illustrations

The required images and mapping to be shown on the Notice Sign(s) depends on the complexity of the proposed development application(s). The following provides the required details and information to be shown on the Notice Sign(s):

11 Notification Protocols

Notification of a *Planning Act* planning application (i.e. Official Plan and Zoning By-law Amendment) requiring a Public Meeting as required by the *Planning Act* shall be undertaken in accordance with the minimum requirements prescribed by the *Planning Act*.

- 11.1 The Owner/Applicant proposing an Official Plan or Zoning By-law Amendment shall post a Notice Sign(s) on the property in accordance with the procedures and protocols of this document.
- 11.2 New Development Areas (Blocks 27, 34E, 34W, 41, 55W, 59, 60E, 60W, 62 and 64)
 - 11.2.1 At the discretion of the Planning Department, in certain circumstances the hand delivery of notices of a Public Meeting shall apply in new community areas (including but not limited to Blocks 27, 34E, 41, 55W, 59, 60E, 60W, 62 and 64) where dwellings have been constructed and the homeowner(s) has not occupied the dwelling or their name(s) does not appear on the municipal assessment roll at the time when the Notices are required to be mailed in accordance with the requirements of the *Planning Act*.
 - 11.2.2 The Planning Department shall provide the Owner with an original copy of the Notice and a map illustrating the properties to which a Notice shall be hand delivered by the Owner, or an individual authorized by the Owner, in accordance with the procedures and protocols of this document and the requirements of the *Planning Act*.
 - 11.2.3 The Owner shall make the required number of copies of the Notices.
 - 11.2.4 The Owner shall hand deliver (door-to-door) the Notice to each property as directed by the Planning Department and shall ensure that the Notice is:
 - 11.2.4.a Placed in an envelope addressed to the “Owner/Occupant”. The envelope shall be blank and not bare any company logos;
 - 11.2.4.b Placed in an area that is clearly visible by the property Owner and protected from the elements (i.e. rain, wind, snow, etc.) including: a mailbox if available, the door handle, between the door and door frame, door thresh hold, etc.; and,
 - 11.2.4.c Delivered a minimum of twenty (20) days prior to the date of the Public Meeting.
- 11.3 Upon delivery of the Notices, the Owner shall complete the “Delivery of Notice of a Public Meeting Declaration” and “Schedule 1”, as shown on Appendices II and III, respectively, and return it to the Planning Department within five (5) business days of the date that the Notice was delivered.
- 11.4 The hand delivery of Notice of a Public Meeting protocol will be phased out as a new community develops and individual property owners are captured on the City’s assessment rolls.
