## Temporary disruption at the Gallanough Park playground

### Effective until summer 2024

The City of Vaughan will be making improvements to the playground at Gallanough Park (21 Springfield Way). Work includes replacing the playground equipment, installing new accessible ramps, as well as adding wood chip safety surfacing and new benches.

Playground upgrades have begun and are anticipated to be completed by summer 2024. To safely complete the work, the playground will be temporarily closed. Due to ongoing construction, all park trails are closed. Everyone is asked to exercise caution when near the park and respect the signage and barriers in place.
