

This category recognizes students, currently enrolled in elementary, secondary or post-secondary school, who show leadership and commitment to improving accessibility for people with disabilities. Nominations should be for initiatives and achievements undertaken in the past two calendar years (2022 and 2023).

Posthumous nominations will be accepted for individuals who have passed within the last two years. For a posthumous nomination, the nominee's executor must sign the consent form provided in this package and indicate they are providing consent on behalf of the estate.

Eligibility

To be eligible for this category, nominees must be:

- currently enrolled in elementary or secondary school in Vaughan or attending post-secondary school with a primary address in Vaughan

Nominees are only eligible to be nominated for one category.

Ineligible nominations include:

- elected members of federal, provincial or municipal governments
- current City of Vaughan committee, board or task force members
- current members of the City of Vaughan's Accessibility Advisory Committee
- nominees with a [Conflict of Interest](#) (see below)

Submission package checklist:

- Signed consent and conflict of interest form
- A detailed description of the nominee's work and initiatives in the established category
- Three signed testimonials that speak to the contributions and impact of the individual/group to accessibility in Vaughan

Evaluation

The evaluation committee will consider the entirety of the application and the substance of the information contained within. To support the nomination, please consider providing applicable information as follows:

- profile or visibility of the nominee within the community as a role model or a leader in accessibility and inclusion
- evidence of collaboration and partnership results in measurable improvement for people with disabilities
- innovation to service with measurable improvement related to access and inclusion for people living with a disability
- description of a product invented with descriptions of intended impact for people living with disabilities
- evidence to support the impact of public education and awareness campaigns or activities (e.g. metrics from social media, number of participants in workshops or information sessions, number of workshops or information sessions provided)
- promote full inclusion and citizenship through increased labour market participation

Testimonials

Nominations require three signed testimonials (electronic signature or scanned copy of the signed letter) of support that speak to the individual's or group's contribution and their impact on accessibility within Vaughan. Each testimonial will be weighted separately. Testimonials must be from individuals who are not the nominator. The testimonial writers should:

- know the nominee.
- be able to explain the nominee's work and its impacts.
- support the nomination.

Testimonials should demonstrate excellence as it relates to accessibility in one or more of the following categories:

- leadership
- innovation to service for people living with disabilities
- invention of a product for people with disabilities
- collaboration and partnership
- public education and awareness campaigns or activities
- furthering the development of accessibility
- demonstrated commitment to recruiting, hiring and training people with disabilities
- impact on the community and individuals with disabilities

Additional information

If you believe any additional information highlights the nominee's contribution, there is a section in the application to upload this material. This may include, but is not limited to, news articles, committee work, business or non-profit organization profiles.
