Message from Mayor Del Duca

Summer is almost here, which means it's time to plan to make the most of it! Explore the City of Vaughan's 2024 Summer Recreation eGuide to discover our best lineup of seasonal programming here in Vaughan.

The City's classes offer something for everyone, so I hope you'll find one (or more!) that piques your interest. Programs are available for all ages and abilities at all community centres, the City Playhouse Theatre and Vaughan Studios & Event Space.

For preschoolers, discovery awaits! They can participate in outdoor mindfulness for little explorers and learn more about natural habitats and their amazing plants and animals. Additionally, Vaughan Playschool is back with programming that includes reading and writing lessons and language classes. Kids can discover art and drawing, piano lessons, robotics – or if they're more active-minded, hip hop dance, soccer, volleyball and so much more. Families with children aged six months to 12 years can explore together, with arts and crafts, pottery painting, imaginative mindfulness and other programs to ignite everyone's curiosity.

Youth can learn Python, a computer programming language, taekwondo or score a slam dunk with basketball training. Adults can centre themselves with yoga, get their racquet on with badminton and pickleball, or bump, set and spike with our volleyball leagues. The City's summer programming for older adults includes lots of options to keep them moving, such as low-impact fitness, muscle conditioning and yoga. The City also offers inclusive programming designed to celebrate individuality and promote a sense of belonging for children and adults of all abilities. The Vaughan Enriched Day Program supports adults with unique needs and features age-appropriate activities such as bocce, cooking, social games, swimming and much more.

I hope you'll take a minute to scroll through this season's eGuide to check out all our incredible program offerings. The fun and the opportunities to learn, play and grow have never been more exciting!

You can learn more about Vaughan's summer camp programming, featuring 80 unique camps, including 10 all-new options for this year! Visit vaughan.ca/camps for all the details.

Have fun this summer!

Sincerely,

Steven Del Duca

In an effort to foster and promote safety, respect and civility, the City of Vaughan's "Safe Community Centres Policy - Policy No. 04.1.28" was adopted. The City of Vaughan is committed to ensuring a respectful environment, free from harassment and discrimination. The City will not tolerate or condone discrimination, harassment, violence, verbal abuse or vandalism.

Declaration of Citizens' Rights & Responsibilities

Every citizen has a right to...

- Live, work, and play in a municipality that promotes community safety, health, and wellness, while safeguarding the natural environment.
- Live in a municipality in which all mandated services are delivered effectively and efficiently.
- Live in a municipality in which citizens receive value for their property tax dollar.
- Live in a municipality that plans and manages growth responsibly, including the building, maintenance, and renewal of appropriate infrastructure.
- Live in a municipality that attracts, retains and promotes productive and effective employees committed to their own ongoing professional training and growth.
- Live in a municipality that enhances the quality of life of its citizens by providing services beyond those mandated by law.
- Live in a municipality whose government communicates effectively with its citizens.

Every citizen has a responsibility to...

- Avoid behaviour that threatens the safety, health and wellness of fellow citizens or the integrity of the natural environment.
- Acknowledge that municipal services are finite, to be shared fairly with fellow citizens.
- Acknowledge that our security and well-being is built on the willingness of each of us to seek the common good.
- Acknowledge that the orderly growth of our city depends on proper planning, which requires citizen participation.
- Acknowledge that the financial stability of our city and the services we expect it to provide depend in part on the taxes we pay, and that as a consequence, new services and new infrastructure, must be affordable.
- Acknowledge that staff are professionals, and citizens as well; that they deserve to be treated as such; and that as skilled workers they are best retained by competitive salaries.
- Remember that communication is a mutual affair, and that voting is the most basic form of communication between citizens and their elected representatives.

Definition of City-Operated Community Centre Facilities

City-operated community centre facilities as they relate to this policy, include all community centres, indoor/outdoor pools, heritage buildings, theatres, arenas, outdoor sports fields, and leased program space for City-operated programs.

Inclusion Support

Recreation Services encourages and supports the participation of individuals with disabilities in diverse recreational opportunities, at a level of participation suitable to their ability and program of choice.

If an individual requires support to participate in a program, a caregiver/guardian can accompany the individual into a program free of charge.

To determine the eligibility criteria for a Support Person Access, you must provide supporting documentation and complete an assessment with the Recreation Supervisor, Inclusion and Support Services at 905.832.2377 ext. 7405 or email inclusion@vaughan.ca.

Need an Inclusion Counsellor?

Your child will require 1:1 support to participate in all recreational programs if he/she:

- requires additional support at school, home or in the community with basic needs such as dressing, personal care or feeding;
- has a tendency to exhibit aggressive behaviours;
- does not understand danger;
- has a disability that affects his/her communication, mobility, comprehension and/or socialization.

If your child requires 1:1 support, arrangements can be made to hire an **Inclusion Counsellor** (an experienced 1:1 worker) on your behalf. Inclusion staff receive specialized training and are certified in:

- Standard First Aid & CPR-C
- High Five Quality Assurance
- Safe Management – Non-violent Crisis Prevention Certification

Note: It is the responsibility of the parent/guardian to cover the cost of the Inclusion Counsellor.

Need a Volunteer?

Volunteer support is offered to an inclusion program participant that:

- is diagnosed with a disability;
- requires some support, may have difficulties with completing tasks, following directions and/or social skills.

Note:

- Demand for volunteers often exceeds supply and cannot be guaranteed.
- Volunteers may be working with individuals with disabilities for the first time.
- They do not assist with personal care, administering medication, lifts and transfers, or with children with behavioural challenges.

For health and safety reasons, if a volunteer is not available or suitable for a participant's needs, parents/caregivers will be required either to provide their own support worker or hire an Inclusion Counsellor through the Department.

Need your own support worker?

It is in the best interest of the child to have a support worker who:

- has had previous and successful experience working with children and, preferably with your child;
- has a good understanding of your child's needs; and an ability to interact with him/her successfully;
- will participate and blend easily into a recreational setting.

1:1 support experience could include any of the following:

- mediation experience (supplied by family, agency, association, organization, etc.);
- babysitting experience;
- a family member or friend (if suitable, close to the age of staff/instructors) who can participate in all recreational activities.

Note: All own support workers must provide a Vulnerable Sector Check and sign a release of liability.

Inclusion Support & Resources

Support Person Access

- An identified “support person” who accompanies a person with a disability in a program shall enter the program at no cost/fee.
- The support person shall assist/support the person with a disability in the program at all times, and shall be within arms length from the individual with a disability.
- Eligible individuals must obtain approval in advance in an effort to facilitate easy access/entry to recreation programs and services.
- A fee is applicable should the support person be participating in a program not in the capacity or acting in the role of a “support person.”

To be eligible for a support person access, contact the Recreation Supervisor, Inclusion and Support Services at 905.832.2377 ext. 7405 or email inclusion@vaughan.ca.
