

Applicant Declarations:

1. All applicable owner authorizations must be received prior to pre-construction meeting. Not providing this information may delay permit issuance.
2. Where the source site, receiving site, and/or temporary storage site for the same project are located within the City of Vaughan, the applicant may be required to obtain a site alteration permit for each site
3. Permit application review will only start once the required documentation and applicable fees have been received, including the O.Reg 406/19 Acknowledgement Form, if applicable.
4. As authorized by Site Alteration By-law 031-2024, any application left pending with outstanding requirements or unresolved deficiencies will be deemed abandoned and the file closed. Once closed, the file cannot be reopened. If the site alteration permit is still required, a new application package must be submitted including payment of applicable permit fees.
5. The information provided with this application, including reports, plans, specifications, and all other documentation is true to the best of my knowledge.
6. I have the authority to bind the corporation or partnership, if applicable.
