

Vaughan Mills Road Bridge rehabilitation

JULY 2024 | NEWSLETTER #1

Dear resident,

The City of Vaughan is undertaking important municipal infrastructure improvements to the bridge on Vaughan Mills Road, as part of the 2024 Capital Works Program. This enhancement supports the City's continued commitment to ensuring the long-term sustainability of municipal infrastructure.

Construction scope

Work includes the rehabilitation of the bridge on Vaughan Mills Road, 600 metres north of Langstaff Road.

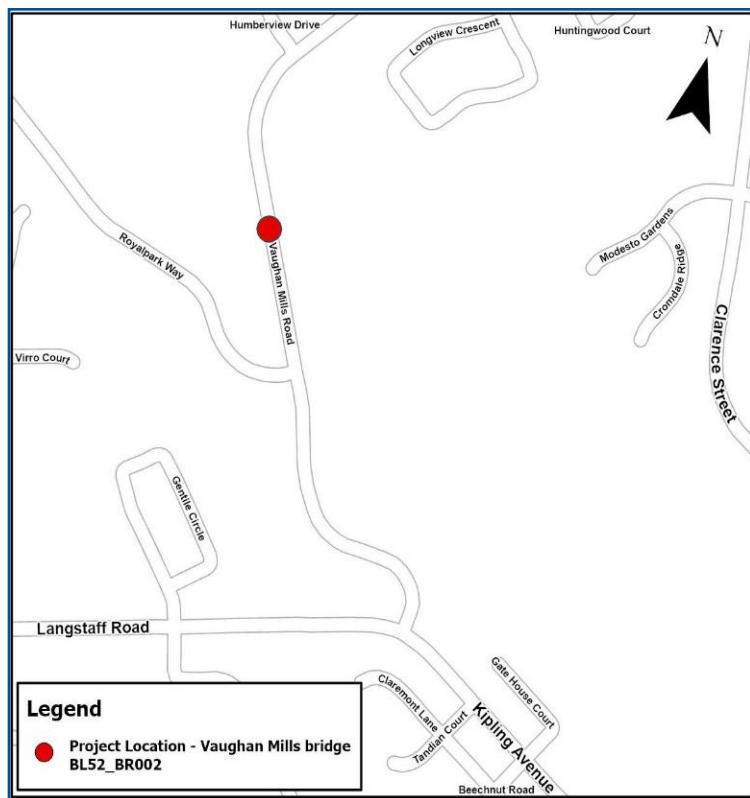

To complete the work, concrete patching, waterproofing, removal and replacement of the asphalt and granular road structure, and curb and gutter replacement will be required.

Impacts to the local community include lane closures on Vaughan Mills Road. Vaughan Mills Road will remain accessible to local traffic at all times. Signage will be in place to guide traffic.

Construction timelines

Construction is scheduled to begin in August 2024 and is anticipated to be complete by November 2024.

Contractor: Dig-Con International Limited
