

City of Vaughan

Work at Gallanough Park is nearing completion!

JULY 2024

Dear resident,

Good news – the work at Gallanough Park is nearing completion! To date, the City of Vaughan has installed a new underground stormwater management facility and overland flow path, a new storm relief sewer on Arnold Avenue and an upgraded playground area.

Project update

All underground work is now complete. The final phase of work includes the following park improvements, above ground:

- new pollinator gardens
- new shade structure and seating area
- new accessible walkway with furnishings
- new outdoor fitness areas
- new games table and seating
- improved swing area

Timeline

Construction is expected to be complete by early fall 2024. Thank you for your patience as we work to ensure this park remains a place families can enjoy for generations to come.

Visit vaughan.ca/gallanough for more information about the work.
