The City will be making road, curb and sidewalk repairs as part of the 2025 Pavement Management Program. These enhancements support the City's commitment to ensuring the long-term sustainability of municipal infrastructure.

Construction is expected to begin in May 2025 and is anticipated to be complete by fall 2025.

### Reminders for property owners

- Underground systems, such as lawn sprinklers, heated driveways, electrical conduits, landscaping within City-owned boulevards or property limits may be impacted by the upcoming construction work. The City is not responsible for any damages that may occur during construction to privately-owned items within City property limits Encroachment By-law No. 034-2017.
- Removing privately-owned underground systems in advance of construction, at the owner's expense, is recommended.
- If you are planning to repave/reconstruct your driveway, please contact the City's Infrastructure Delivery department to learn how the scheduled work may impact your driveway.
