

Disruption Alert

Notice: Lane closures on Islington Avenue, from Stegman's Mill Road to Treelawn Boulevard

The City of Vaughan is installing a new watermain on Islington Avenue in Kleinburg Village. To safely complete the work, there will be temporary lane closures on Islington Avenue, from Stegman's Mill Road to Treelawn Boulevard, starting Sunday, Nov. 24 until Friday, Dec. 13, from 7 a.m. to 5 p.m.

Flag persons will be on-site to guide traffic in the area and detour signs will be in place. Access to residences and businesses along Islington Avenue will not be impacted.

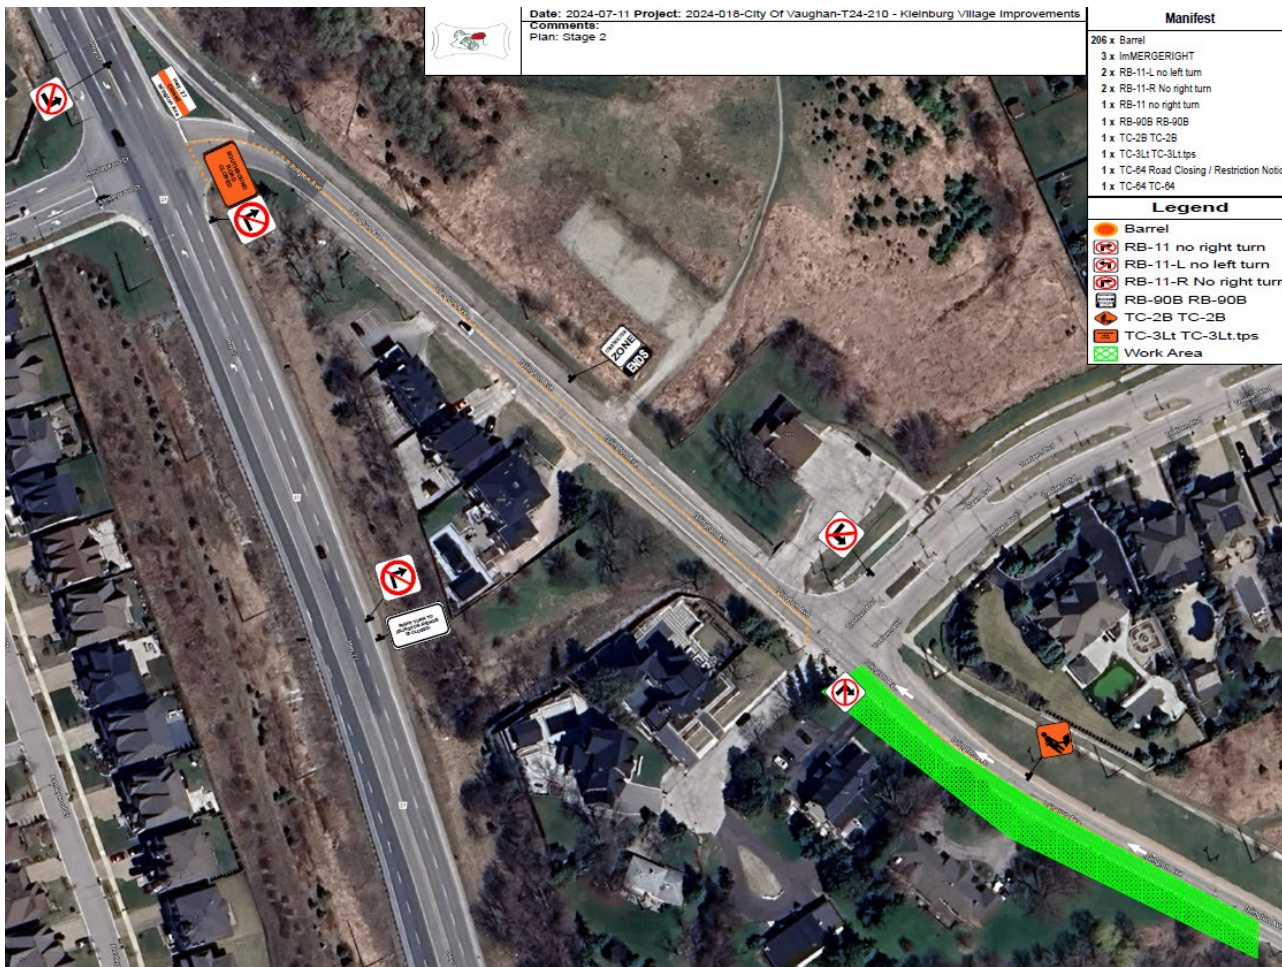

More about the temporary lane closures:

- Southbound traffic on Islington Avenue from Highway 27 may be re-directed south on Highway 27.
- Southbound traffic from Treelawn Boulevard may be re-directed north to Highway 27.
- Northbound traffic on Islington Avenue may be re-directed west to Nashville Road.
- Northbound and southbound traffic on Islington Avenue may be temporarily re-directed to either John Street or Kellam Street towards Stegman's Mill Road.
- Work may also be undertaken overnight to avoid impacting businesses and pedestrians.

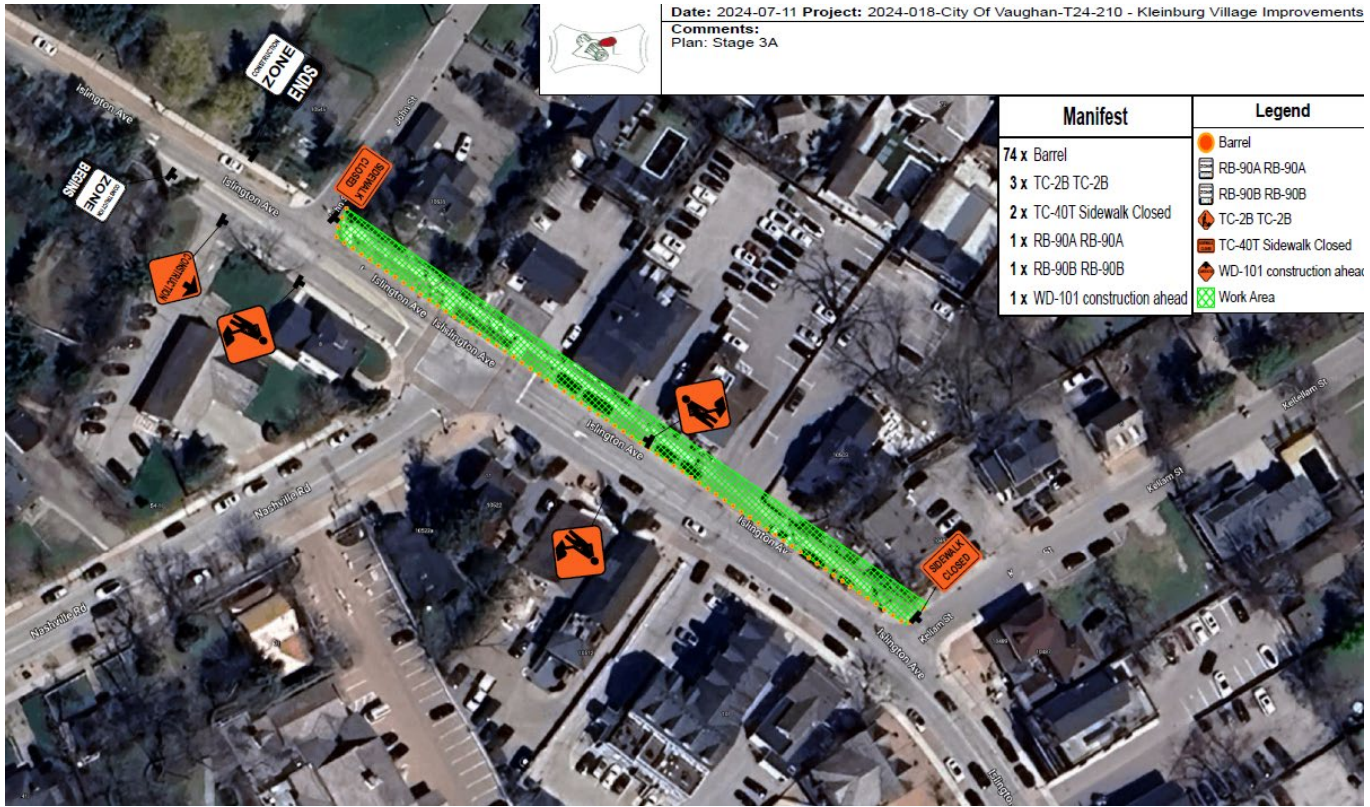

About the project:

The City is undertaking important infrastructure improvements within Kleinburg Village, including watermain replacements, road reconstruction work and streetscaping enhancements. These improvements support the City's continued commitment to ensuring the long-term sustainability of municipal infrastructure. Learn more about the project at vaughan.ca/KleinburgVillage.
