Gateways to discovery & inspiration

parks, heritage sites, schools

The heart of our community. The City of Vaughan proudly preserves and opens the doors to several heritage buildings and parks, celebrating our rich architectural and cultural heritage. These locations are not just venues; they're gateways to discovery and inspiration.

Explorers can ride along the Don River (Maple Nature Reserve) or visit a home once owned by a Group of Seven painter and sit in the gardens he once painted in (Thoreau MacDonald House).

This summer, uncover the historical and natural splendour of Vaughan's heritage parks and sites — and enjoy the unique opportunity to attend a summer camp at one of these remarkable locations! A world of exploration and learning await!

Summer camp basics!

What you need to know:

This guide will help you and your child prepare for camp.

When registering in PerfectMind, ensure all personal information is up to date, including emergency contacts, adult(s) who are permitted to pick-up your child(ren) from camp site, medical history and dietary restrictions. For children with disabilities, please ensure that the required documentation is uploaded on the profile.

Pre-Camp Communication: Camp staff will contact parents/guardians if the personal information contained in your client profile is not up to date. This information will be verified at least once during the camp calendar year.

Inclusion Support Request Deadlines

Weeks 1-4: April 26 • Weeks 5-9: May 10

Recreation Services attempts to accommodate requests for additional support for children with a disability. However, due to the number of requests, support cannot be guaranteed or may not be available during the session(s) of your choice. Cancellation & withdrawal information for 1:1 Inclusion Assistant support can be found in the [Frequently Asked Questions](#).

Fun in the Sun Photo courtesy Summer Camps

If your child is sick, they must stay home and parents/guardians must inform the Camp Director.

Age requirements

- **Camps for Ages 4-6:**
Required to be 4 years old by start of camp - no age override allowed.
- **Camps for Ages 7+:**
Required to be of age by end of year (December 31, 2025) - no age override needed.

Age Considerations and Exemptions:

Although age is not always indicative of a child's ability level, our camps are designed to be age appropriate. This includes consideration of cognitive, social and physical developmental milestones. While some camps may have broad age ranges, we understand there are inherent age differences. Therefore, in most cases and where appropriate, participants will be grouped by age and/or skill level. Age overrides are considered on a case-by-case basis. If your child does not meet the minimum age and you want them to be considered for an age

exemption, email rec@vaughan.ca or contact your local community centre and ask to speak to a Recreation Lead. Guarantees for age exemptions cannot be made.

Participants will be grouped by age and/or skill level.

Aquatic Camps: All campers must be of age at the start of any aquatic camp. Due to health and safety guidelines, the City of Vaughan swim admission policy, and the requirements set by the Lifesaving Society, there will be no age overrides for aquatic camps. Refer to our [Swimming Lessons: Frequently Asked Questions](#) or email swim@vaughan.ca for further inquiries.

Recreational swimming

Children in full-day camps located at a facility with a pool (refer to the list of [recreation facilities](#)), will participate in recreational swimming throughout the week.

Parent/guardian permission is required for campers to participate in camp recreational swimming. This can be indicated when completing the questionnaire upon registering.

Recreational swim times, supervised by qualified City of Vaughan lifeguards and camp staff, have been scheduled into camp programs.

Campers aged under 7 years will not participate in recreational swimming. Alternate programming will be provided.

For campers aged 7-9 years who do not pass the admission standard, we will attempt to place them with a camp counsellor where resources allow. Should this not be possible, alternate programming will be provided.

Please review our [Pool Guidelines & Safety Standards](#) to clarify admission

Code of Conduct

The City of Vaughan is committed to fostering an inclusive environment that reflects the rich diversity of our community. We strive to provide a respectful and safe program experience for both our participants and our staff. Should any participant exhibit disrespectful, inappropriate, or discriminatory behaviour, we will pursue disciplinary action, including removal from the program or camp.

In support of a safe community...

The City of Vaughan promotes safety, respect, and civility for all users of City-operated facilities, and will take appropriate steps to deal with unacceptable behaviour as outlined in this Code. Consequences may include a verbal warning, removal from programs or a trespass ban.

The following behaviour is considered to be unacceptable and will not be tolerated in City-operated community centre facilities:

- Violent behaviour that poses a direct threat to any other person in the facility. This includes possession of weapons, sexual harassment, sexual assault, throwing of articles in a deliberate or aggressive manner, aggressive approaches to another individual or group, physical striking of another individual, and attempts to incite violence in others.
- Abusive or disrespectful language or actions. This includes harassment, verbal assaults, attempts to intimidate, profane language, inappropriate or obscene gestures, and racial or ethnic remarks.
- Disrespect for public property and the property of others. This includes robbery or theft, littering, defacement, vandalism and misuse of equipment.
- Other behaviour that will not be tolerated: horseplay, possession of or under the influence of drugs and/or alcohol, misuse of emergency exits, not abiding by rules and regulations, and trespassing or refusal to leave when directed to do so by staff.

View the complete “[Safe Community Centres Policy](#)” online at [vaughan.ca](#).

Camper group requests

Unless otherwise stated, campers are grouped according to chronological age, and/or skill level. Occasionally, circumstances arise whereby it may be desired to group a child together with their friends or family of a similar age in the same program.

Indicate your request when registering, and we will attempt to accommodate to the best of our ability for no more than two campers of the same age. All parties involved must be aware and request when registering. These requests cannot be guaranteed.

Campers with disabilities

If your child has a disability or requires 1-on-1 support, please email inclusion@vaughan.ca.

Camp hours

The camp day is 8:30am to 4:30pm at most locations. Camp programming runs from 9am to 4pm. Parents can drop off between 8:30am and 9am and pickup between 4pm and 4:30pm. Before & After Care is available for campers who require care before the camp day begins, from 7:30-8:30am, and after the camp day has ended, from 4:30-6pm. Separate registration is required.

Before & After Care

Need to drop off your child early and pick them up late? Our supervised Before & After Care program is available for campers who require care before the camp day begins, from 7:30-8:30am, and after the camp day has ended, from 4:30-6pm. Children enjoy fun camp activities and games.

Note: Must register for Before & After Care at the same location as your child’s camp. Before & After Care is not available for camps located at heritage homes, parks, the City Playhouse Theatre, or for any half-day camp. Registration for single days is not permitted and fees are not adjusted for half-time use.

Remember to pick up your child(ren) on time after their long (but fun!) day at camp. Repeated lateness will be subject to a late fee charge, and may result in removal from the program for the duration of the session with no refund.

Minutes Late	Fee
0-10 minutes	\$15
11-20 minutes	\$30
21-30 minutes	\$45
31-60 minutes	\$60

Pick-up procedures:

- Photo ID will be required at each pick-up.
- Self sign-out is allowed for campers 10 years of age or older with signed permission.
- Campers will be released to only those people listed on the PerfectMind client profile.

In case of emergencies

Call Service Vaughan at 905.832.2281 and ask for the customer service desk at the community centre of your child’s camp to contact the Camp Director during camp hours.

Camper lateness, absenteeism or changes to pick-up/drop-off

Leave a message for the Camp Supervisor if your child is going to be late, absent or if there are any changes in your pick-up/drop-off routine immediately. We will follow-up with a phone call if a camper has not arrived by the camp day start time.

What to bring

We ask that your child brings only the recommended items to camp in an effort to keep personal items to a minimum.

Everyday requirements:

- Pack these items in a backpack and ensure ALL items are clearly labeled
- Individually packaged peanut/nut-free lunch and snacks (am/pm). No sharing allowed
- Refillable water bottle & extra drinks
- Sun hat, sunscreen & bug spray (campers must be able to self-apply)
- Wear closed-toe shoes every day
- Hand sanitizer is provided; campers are welcome to bring their own

Outdoor Adventures Camps

These camps fully operate outdoors and campers “weather” the elements. Ensure your child dresses appropriately and is able to enjoy the entire day outdoors. However, if inclement weather compromises camper safety or negatively impacts the quality of programming, the camp may temporarily be relocated indoors to a nearby City facility.

Refer to our [Registered Programs](#) [Frequently Asked Questions](#) webpage for more information and additional “how-to” videos.

In this situation, camp staff will advise parents as soon as possible on where to drop off their child for the day. Parents can also call the City’s Weather Hotline (905.832.8500 ext. 7610) for the latest updates. If considered a significant weather event, parents may be contacted and asked to pick up their child from the camp site in a timely manner.

Weather Hotline

905.832.8500 ext. 7610

This hotline will have an outgoing message that will be updated in the event of inclement weather and extreme weather alerts. **Messages cannot be left at this extension.**

Lost & found

Please inquire, at drop-off/pick-up, regarding any lost items. Lost items will be kept for one week following the end of camp.

Note: The City of Vaughan does not accept responsibility for items brought to camp, which are lost, stolen, or damaged. To avoid disappointment, campers are encouraged to leave their personal items or money at home.

Camper safety & security

Recreation staff will make every effort to integrate a participant into programming and accommodate their individual needs.

If a child demonstrates challenging/difficult behaviour, staff will endeavour to provide the necessary assistance to minimize that behaviour using positive behaviour management strategies. If a child is involved in any incidents, parents will be notified immediately.

Guidelines on food allergies

- Campers must not share food.
- The City of Vaughan is “nut aware.” All parents are asked to diligently check ingredients and avoid known allergens. The ingredients to look out for include, but are not limited to, nuts of any type, eggs, milk, etc.
- Staff will monitor snacks and lunches if there are known allergies in the camp group.

- All parents share in a responsibility to read food labels and to not send products that contain/may contain traces of peanuts/nuts, or that do not carry a complete list of ingredients (i.e. bulk food, from on-site bakeries, etc.).

Where there is a life-threatening allergy to nuts or other allergens (confirmed by a family physician note), parents will be notified by letter, and requested to avoid sending the identified food. Special lunch screening is conducted.

- Campers with items known to cause life-threatening reactions, will be moved to a private area to eat their food. Staff will instruct campers on proper hand washing techniques for before and after meals.

Medical information & medication

Ensure all medical information is up to date on your PerfectMind client profile. Learn more about viewing and uploading documents to your customer profile on our [Registration FAQs](#) webpage.

Campers requiring medication at camp must affix a recent photo to a signed [Medication Dispensing Form](#). Medication must be stored in original containers only and will be kept securely in the camp office. Please note that camp staff can assist campers with dispensing medication, however staff cannot administer medication.

Note: Recreation Services staff are not responsible for lost or damaged medications left in the campers’ care.

Life-threatening allergies

Campers with a life-threatening allergy are required to complete the [Anaphylaxis Emergency Plan](#) early to ensure the camp site is well prepared for the camper’s needs.

When complete, upload to your PerfectMind client profile, under the documents section.

PARTNER WITH US!

Third-party partnerships are integral to the City's mission of delivering a range of high-quality specialized programs that meet the diverse and evolving interests and needs of Vaughan residents. They allow us to enhance community engagement, drive innovation and tap into unique expertise that enriches our program offerings and captures the imagination of the community.

The City is committed to nurturing these valuable collaborations and exploring new opportunities to better serve our community. We invite you to join us on this exciting journey!

"Our partnership with the City of Vaughan has been an instrumental piece to our businesses growth and success. It has allowed us to connect with the families in an accessible way by bringing Mindfulness and Kids Yoga programs to communities across Vaughan."

Kristine Cuenca, Kind & Confident Ed

WHY PARTNER WITH US?

- Secure a unique opportunity to reach a wide demographic of individuals
- Expand your brand's reach and impact.
- Increase brand recognition and credibility.
- Gain support with marketing and logistics.
- Acquire access to state-of-the-art community centres, parks and recreational facilities in convenient locations across the city.
- Enjoy a stable partnership with the City with dedicated staff to plan and support.
- Support the well-being and quality of life of citizens.

FEATURED PARTNERS

EXPLORING NEW FRONTIERS

We continuously seek new partnerships that will allow us to expand into exciting new areas and are particularly interested in hearing from vendors who specialize in delivering niche programming in:

- Financial literacy and mental health
- Enriching culinary and cultural programs highlighting the traditions, cuisines and various art forms of diverse cultures
- Aquatic sports and therapy

MINIMUM REQUIREMENTS FOR PARTNERSHIPS

- ✓ Commercial General Liability Insurance of \$2 million (with the requirement that the City of Vaughan be listed as an additional insured on the policy).
- ✓ Workplace Safety and Insurance (including the provision of a current copy of your Liability Insurance Certificate).
- ✓ Standard First Aid & CPR-C certifications and Police Vulnerable Sector Check for each staff member.

“Our programs and camps are consistently filled, with happy students coming back for more. This is a testament to the great work that Laura and team have been doing in the background to make everything run smoothly. Thank you Laura and team for the opportunity. We couldn’t ask for a better partner!”

Matthew, Logic Fusion

CONNECT WITH US!

1. Send an email with a brief introduction of your organization and the types of unique programs you offer to communityprograms@vaughan.ca.
2. Once your initial expression of interest is received, you will be invited to complete a form detailing programming ideas and resource requirements for review.
3. Once programming is deemed compatible, an agreement will be entered into detailing the terms of the partnership, roles and responsibilities, timelines, support provided by the City, etc.
4. With the agreement in place, we’ll work together to launch our partner program. This includes marketing support, logistical arrangements and continuous collaboration to ensure the program’s success.

“The City of Vaughan partnership has been tremendous in promoting brand awareness and showcasing the importance of digital media and digital citizenship within the community.”

WE CAN'T WAIT TO WELCOME YOU!

Coming soon! Carrville Community Centre, Library and District Park

A new local landmark, built for every moment, every season and every resident

This brand-new state-of-the-art facility is nearing completion. The new hub is located about one kilometre east of Dufferin Street just south of Major Mackenzie Drive at Thomas Cook Avenue and Valley Vista Drive. Here's a sneak peek into what this go-to destination will have to offer:

SPACES THAT MOVE YOU

Laps, lessons or a therapeutic dip — the **25-metre lane pool** and **small instructional pool** will keep you in the swim of things.

Imagine a **gymnasium** big enough for tournaments, matches, games and other events, with plenty of room for cheering fans and retractable seating.

Rain (or snow) or shine, you can keep your stride strong on a year-round **indoor running track**.

From calming yoga sessions to high-energy classes, our state-of-the-art **fitness studios** are designed for every kind of workout.

SPACES THAT FEED YOUR SOUL

Calling all fabulous foodies and curious cooks! Enjoy opportunities for registered programming to sharpen your skills or whip up something delicious in our **modern teaching kitchen**.

Enjoy peace of mind while you participate in all the centre has to offer, knowing your little ones are entertained, safe and in good hands with **trusted third-party childcare service providers**.

A **modern and welcoming library** can't wait to serve you as your cozy new corner for inspiration, digital resources, family reading sessions, quiet study moments and much more.

SPACES THAT LEAD THE WAY

Sustainability, accessibility and a sense of belonging are at the heart of this new community centre hub. From gender-neutral washrooms and inclusive changeroom facilities to barrier-free design this space is for everyone. Plus, eco-friendly features — rooftop solar panels, geothermal heating and cooling, energy-efficient lighting, the use of sustainable building materials — make it as green as it is grand.

Construction update:
Carrville Community Centre

SPACES THAT CALL YOU TO THE OUTDOORS

Several outdoor amenities, including **playgrounds, splash pads and trails**, will invite you to play, splash and explore.

It'll always be game on with **pickleball, tennis and multi-use sports courts** that promise fun, fitness and a little friendly competition.

When the time is right, bring your bike, test your wheels and ride the rollers and berms on a specially designed **outdoor pump track** course.

Glide through the winter season on a scenic outdoor skating loop.

STAY TUNED!

Visit vaughan.ca/CarrvilleCC for more information about the grand opening, program registration and everything else this incredible space has to offer!

Summer Camps

Creative Arts

Hollywood Filmmaking

9 - 13 years

Delivered in partnership with *Film Camp in a Box*

Fill your week with action, adventure and a lot of comedy in our Hollywood movie-making camp. Mentored by master filmmakers, you'll make movie magic while exploring the filmmaking process, including pre-production, production and post production. Working in small crews, you'll learn about cinematography, script writing and digital post-production tools, like Final Cut Pro, iMovie and Canva. You'll then create, act in and edit a short film and movie trailer, adding special effects, music, voiceovers, titles and sound effects, plus you'll use the latest technology – MacBooks, 4K cameras, tripods, boom microphones, green screens and aerial drones. You and your crew will also create promotional and advertising assets to showcase your short film to the world and use AI tools to generate an original movie soundtrack. Movies will be presented at our red carpet popcorn film festival and archived on our digital theatre.

Culinary Arts

Lil Sous-Chefs

5 - 7 years

Summer never smelled so good! As second in command in the kitchen, little sous-chefs learn basic cooking and baking skills from our head chef to prepare yummy, kid-friendly recipes. They'll practice measuring ingredients, mixing, stirring, and cutting (with plastic knives) and learn the importance of kitchen safety, cleanliness and tidying up afterwards. Creating arts & crafts, playing games and sports, along with special theme days, will help them work up an appetite!

NEW! 3D Modeling & Printing

8 - 12 years

Delivered in partnership with *Logic Fusion*

Fabricate—from start to finish—your own 3D objects: cars, jewelry, robots and small toys, learning the basics of 3D design. A 3D printer will be brought in for children to learn how it works. Participants take home one of their own printed models at the end of the course. More pieces can be made at an additional cost.

Delivered in partnership with *Logic Fusion*

Designed for curious minds, this program combines the basics of artificial intelligence (AI) and machine learning (ML) with fun, hands-on projects. Build your own ML models that can identify real-world objects and sounds with impressive accuracy, all while learning the crucial role of data and how to collect it to train your models. Expand your skills to bring your AI creations to life, using their intelligence to accomplish tasks in the physical world.

NEW! Medics Camp Discover: Blood, Bones and Breath!

9 - 12 years

Delivered in partnership with *Medics Camp*

Discover the fascinating world of medical science, health and the human body. As a junior medic, you will uncover the mysteries of germs, learning how diseases spread and infections take hold. You will also become familiar with the heart's functions and practice using real medical equipment to check vitals. A pig heart dissection will offer a unique opportunity for you to see how your own heart operates as a central hub for pumping blood and understand the components of this life-sustaining fluid. Then, you'll create your own fake blood to take home after observing a cow's long bone and discovering how blood cells are made in the process of hematopoiesis. The adventure continues with an exploration of the skeletal system, where you'll analyze x-rays and practice applying splints, casts and slings. But it doesn't stop there! Breathing emergencies like asthma, anaphylaxis and choking are also covered, and you'll learn precisely how the lungs work and how to respond in critical situations. Finally, on First Aid Friday, you'll sharpen those first aid skills, including how and when to call 911 during a real emergency.

NEW! Medics Camp Explore: Brain, Belly and Banana Surgery!

9 - 13 years

Delivered in partnership with *Medics Camp*

Discover the fascinating world of medical science, health and the human body. As a junior medic, you'll get an up-close look at the incredible nervous system, uncovering how the brain works and the importance of mental health. Next up, take a gut-powered journey through the digestive system, starting in the mouth where you'll experience how we smell and taste food, and ending with the chance to make your own (fake and odourless!) poop! Your body is a sensory powerhouse, constantly helping you experience the world. So let's understand how those peepers (eyes) and hearing holes (ears) work and test those senses using doctor skills. And let's not forget the skin — the body's largest organ — as you learn how it contributes to your sense of touch, how different types of anesthesia work to block sensation, and why it's such an important tool in medicine. While you're at it, you'll explore the interesting parallels between human and animal health through pet care and veterinary medicine. You'll also discover the science of communication, learning to spell your name in sign language and the braille alphabet. Top it off with a test of your precision and focus as you practice your surgical skills on a banana. Finish the week with First Aid Friday and gain useful first aid skills.

Straight A's + Summer Days

7 - 9 years

Remember what you (just) learned in school before the summer? Refresh some of the fundamentals you may have forgotten and brush up on the basics, so you're ready to go back to class (and aim for straight A's)! Work your way through literacy and math activities, play brain games and knowledge quizzes, and give mini talks to your peers as you learn to love learning. The start of school may be around the corner, but it's still summer...and it's not camp without outdoor fun too!

Leadership

Counsellor in Training

15 - 16 years

Interested in pursuing a leadership role working with children? Do you have a passion for creating imaginative crafts and playing exciting games? This course offers five days of theoretical training followed by a two-week, hands-on placement at a City of Vaughan summer camp to prepare you for a job as a school break camp counsellor. You'll earn valuable, nationally recognized certifications, including HIGH FIVE Principles of Healthy Child Development and Standard First Aid and CPR-C. Upon completion of the full program, you will receive up to 80 volunteer hours for the two-week camp placement. Upon successful completion, you will receive an interview with the City of Vaughan at the conclusion of the program to work in a camp counsellor position the following season.

Note: Participants will have a 30-minute unsupervised lunch. More information regarding placement hours will be provided during the program.

Learning to Lead

12 - 14 years

Learn leadership skills that can be applied anywhere, including at school and future jobs (like a camp counsellor!). Gain practical skills during workshops focused on problem-solving, team building and child-centered learning. Learn to lead by influence in real life, as you develop and implement an activity for campers to enjoy at an existing Vaughan summer camp.

Note: This is a theoretical and recreational program only; a site placement is not included.

7 - 11 years

Soar with the Orioles to Boyd Conservation Area! Connect with nature close to home in this Outdoor Recreation Adventure Day Camp, filled with nature oriented activities led by a designated nature specialist, plus sports, arts & crafts and outdoor water play. An overnight event where campers go on a night hike, sleep in tents and bond with new friends, highlights this wilderness experience. Older campers prepare a campsite complete with a campfire, tent, safety precautions and of course...food. Songs, stories, night hikes, dinner, breakfast, and special events make this an annual tradition!

Note: Oradaca is an outdoor program and campers 'weather' the elements. However, if inclement weather compromises campers' safety or negatively impacts the quality of programming, the camp may temporarily be relocated indoors to Al Palladini Community Centre. The overnight takes place on Thursday the second week of each session. Overnight programming may be cancelled at any time. Due to safety reasons, campers who receive support during the day are required to be accompanied by their support worker (see eligibility criteria) for the overnight or may stay for the BBQ, night hike and campfire before being picked up and may return for breakfast.

Curtain Call

10 - 14 years

Musical theatre lovers come together for the final curtain call of the summer. Dance, act, sing and design the set as summer comes to a close. Youth will bring characters to life in a two-week theatrical production that will culminate with a live stage performance at the City Playhouse Theatre the evening of the second Thursday of camp. Whether you're new to theatre or a seasoned actor, staff trained in theatre arts will hone and develop campers' natural skills, while also teaching them about the importance of teamwork in building a production. Young Yogis

6 - 10 years

Delivered in partnership with *Kind & Confident Ed.*

Find inner peace and self-love by making your summer mindful. Young Yogis shift their focus from perfection to progress and explore, move and grow through mindful yoga games, breathing activities, music fun, and crafting that focuses on the process rather than the product. Young Yogis deepen their mind body soul connection outdoors in the sunshine, through group activities and innovative games.

Sports

Active Kids

5 - 7 years

Little athletes are led in a variety of sporty activities beginning with a warm-up of exercises followed by introductory skill development. This high-energy camp encourages physical literacy and builds communication and social skills that are important in team-oriented atmospheres. Traditional camp activities including cooperative games, water play and outdoor active play complement the camp day.

Racquet Sports

8 - 12 years

Get a 'handle' on some popular racquet sports: badminton, table tennis, pickleball, - a mix between tennis and squash! Through drills, practice and playing (indoors and outdoors), learn fundamental racquet sports skills: power, precision, technique and timing. Racquet sports are known to serve up serious health benefits. Constant movement, running and swinging develops coordination and stamina, while strategizing improves focus and decision-making skills. Bonus: All that teamwork and friendly competition teaches campers how to be good sports! Traditional sports, and camp activities, including spirit events, are a component of this camp. All sports racquets are provided.

Train for Triathlon

9 - 13 years

Swim. Bike. Run. Why be good at one sport when you can be good at three! Swim laps in the pool, bike in the cycling studio, and run sprints on the indoor and outdoor tracks. Our qualified staff will lead campers through dry land conditioning and recovery sessions that will help prepare you to compete in an end-of-camp triathlon, where athletes will swim up to 200 metres, bike 5 kilometres and run 2 kilometres.

Note: Participants will be grouped by age and/or skill level.

Water Adventures

Aqua Adventures

Dip into summer! Learn proper stroke techniques and water safety during daily swim instruction, followed by fun water play including water polo, lifesaving sports, underwater activities and of course, recreational swimming. Campers dry off with activities such as arts & crafts, games and outdoor sports. Note: Swimmers may be placed in a multi-level teaching environment, which allows instructors to teach students at various skill levels within the same group. Material learned is developed by the Lifesaving Society. This program is for participants in the associated Swimmer level. Students receive a final report card.

Aquasport

8 - 13 years

Would you rather be in the water than on land? Spend the summer playing sports, in the pool! Based on the sport of lifesaving (yes, it's a sport!) train in individual lifesaving events including an obstacle swim, tow with fins, lifesaving medley, throwing accuracy, and object support; and team events: manikin relay, obstacle relay, swim with fins, and medley relays. Emphasis is placed on improving overall fitness, including, strength, power, and endurance, and promoting teamwork, sportsmanship, achieving personal bests and having fun. Campers also enjoy water polo and competitive swimming, then dry off with fun activities including arts & crafts, games and outdoor sports. Besides having fun in their element, water lovers will grow confident in the pool environment and develop strong swimming skills for success in future swim lessons and aquatic leadership programs.

Prerequisite: Swimmer 4.

Aquasquirts

4 - 6 years

A camp for the child who loves to spend their summer in the pool! Little swimmers enjoy various aquatic activities, such as water safety, relay races, sing songs and cooperative games. While having fun in the water jumping, rolling, spinning, twisting, and turning upside down, children grow more comfortable and confident in the pool environment and develop basic swimming skills. Campers dry off with activities such as arts & crafts, games and outdoor sports.

Junior Lifeguard Camp

7 - 12 years

Love the water but want more than “lessons”? Dive in and learn how lifeguards train: practice swimming strokes, first aid situations and rescues through friendly competition in an environment that mixes work with play and focuses on personal-best achievement. Throughout the summer track your progress collecting stickers from the Canadian Lifesaving Society for your ‘Junior Lifeguard’ journal, and work towards completing all your Swim Patrol levels: Rookie/Swimmer 7, Ranger/Swimmer 8, Star/Swimmer 9 and Bronze Star/Swimmer 10. Water you waiting for?

Prerequisite: Swimmer 5/6.

Camp Hours: The camp day is 8:30am to 4:30pm. Camp programming runs from 9am to 4pm. Before & After Care is available for campers who require care before the camp day begins, from 7:30-8:30am, and after the camp day has ended, from 4:30-6pm. Separate registration is required.

Lifeguard Training

7 - 12 years

Dive into an unforgettable summer adventure and unlock the ultimate skills that save lives all while having a blast. Perfect your swimming strokes, learn first-aid techniques that could be a game-changer in emergency situations, and build the fitness and judgment skills essential for becoming an aquatic leader. Alongside your new friends, you'll problem solve through mock lifesaving situations and challenge yourself through wet and dry co-operative games that mimic real-life rescue scenarios. Throughout the camp you'll work towards completing the Standard First Aid award.

Prerequisite: BronzeStar/Swimmer 10.

Trip Takers: Splash N' Go

10 - 14 years

Water lovers embark on daily aquatic excursions to some of the 'coolest' water locales. Live your best camp life by the water, with trips to lakes and water parks.

Note: An information package which includes trip destinations and an informed consent form will be sent out prior to the start of the session. All participants will undergo a swim test at their home pool. Unsuccessful swim test participants will be required to wear a life jacket for the duration of the stay at the aquatic facility.

Prerequisite: Swimmer 4 or equivalent.

Inclusion Support

Recreation Services encourages and supports the participation of individuals with disabilities in diverse recreational opportunities, at a level of participation suitable to their ability and program of choice.

If an individual requires support to participate in a program, a caregiver/mediator must present a support person ID card for free admission.

To determine your child's eligibility for support or to book an assessment, contact the Recreation Supervisor of Inclusion and Support Services 905.832.2377 ext. 7405 or email inclusion@vaughan.ca.

Need a counsellor?

Your child will require 1:1 support to participate in all recreational programs if he/she:

- requires additional support at school, home or in the community with basic needs such as dressing, toileting or feeding;
- has a tendency to exhibit aggressive behaviours;
- does not understand danger;
- has a disability that affects his/her communication, mobility, comprehension and/or socialization.

Note: It is the responsibility of the parent/guardian to cover the cost of the Integration Counsellor.

Inclusion support request deadlines

Weeks 1-4: April 26 • Weeks 5-9: May 10

Recreation Services attempts to accommodate requests for additional support for children with a disability. However, due to the number of requests, support cannot be guaranteed or may not be available during the session(s) of your choice. Cancellation & withdrawal information for 1:1 Inclusion Assistant support can be found in the [Frequently Asked Questions](#).

Need a volunteer?

Volunteer support is offered to an inclusion program participant that:

- has a mild disability affecting the safety of the individual with a disability or other program participants;
- requires extra support at home and school;
- is currently diagnosed with a disability.

Note:

- Demand for volunteers often exceeds supply and cannot be guaranteed.
- Volunteers may be working with individuals with disabilities for the first time.
- They do not assist with toileting, administering medication, lifts and transfers, or with children with behavioural challenges.

For health and safety reasons, if a volunteer is not available or suitable for a participant's needs, parents/caregivers will be required either to provide their own support worker or hire an Integration Counsellor through the Department.

Code of Conduct

The City of Vaughan is committed to fostering an inclusive environment that reflects the rich diversity of our community. We strive to provide a respectful and safe program experience for both our participants and our staff. Should any participant exhibit disrespectful, inappropriate, or discriminatory behaviour, we will pursue disciplinary action, including removal from the program or camp.

Need your own support worker?

It is in the best interest of the child to have a support worker who:

- has had previous and successful experience working with children and, preferably with your child;
- has a good understanding of your child's needs; and an ability to interact with him/her successfully;
- will participate and blend easily into a recreational setting.

1:1 support experience could include any of the following:

- mediation experience (supplied by family, agency, association, organization, etc.);
- babysitting experience;
- a family member or friend (if suitable, close to the age of staff/instructors) who can participate in all recreational activities.

Note: All own support workers must provide a Vulnerable Sector Check and sign a release of liability.

Inclusion support & resources

Support Person Identification Access Card

- An identified “support person” who accompanies a person with a disability in a program shall enter the program at no cost/fee.
- The support person shall assist/support the person with a disability in the program at all times, and shall be within arms length from the individual with a disability.
- Eligible support persons shall be offered an identification access card in an effort to facilitate easy access/entry to recreation programs and services.
- A fee is applicable should the support person be participating in a program not in the capacity or acting in the role of a “support person.”

To obtain a support person identification access card, contact the Recreation Supervisor of Inclusion and Support Services at 905.832.2377 ext. 7405 or email inclusion@vaughan.ca.

York Region Recreation Subsidies

York Region offers subsidies for recreation programs, day camps and youth leadership camps. These subsidies provide children from families with low income the ability to take part in programs offered by the municipal recreation departments. The youth leadership camp funding provides families with the ability to attend an approved overnight camp.

Three subsidies are available:

- Positive Leisure Activities for Youth (PLAY) Funding for children/youth 4-18 years and single parents is available fall, winter and spring.
- Summer Camp Funding for children 4-13 years is available July and August.
- Youth Leadership Camp Funding for children/youth 13-17 years is available July and August.

For eligibility criteria, visit york.ca or call the KIDS LINE (1-888-703-KIDS).

Camp Hours: The camp day is 8:30am to 4:30pm. Camp programming runs from 9am to 4pm. Before & After Care is available for campers who require care before the camp day begins, from 7:30-8:30am, and after the camp day has ended, from 4:30-6pm. Separate registration is required.

Empowered Chef

8 - 12 years

Step into the chef's domain as a place of independence and creativity and discover the delicious joy of turning simple ingredients into something extraordinary — all while building skills that extend far beyond the cutting board. Each day brings a new ingredient and recipe, alongside practical lessons in kitchen hygiene, food sourcing, grocery planning, healthy meals, safe utensil techniques, and efficient organization. Mornings are spent learning by doing (mixing, measuring, simmering, sautéing and, of course, eating) and finding confidence in every new task, big or small. Afternoons are for other exciting activities — like swimming — to round out the day with fun and friendship. Find pride in what you create and create something that's yours to savour!

Note: Instruction/equipment can be adapted for participants with varying developmental and physical abilities. All required ingredients and supplies are provided.

Does your child require additional support at camp?

Participants generally require 1-on-1 support according to the following criteria:

- Extra support is required at school.
- Additional support or assistance is required at home for basic personal care needs such as eating, dressing or toileting.
- A disability exists that affects mobility, communication, comprehension, social interaction and/or behaviour.
- The child is currently diagnosed with a disability.
- The child has difficulty participating independently in a group setting.

All participants with a disability are required to complete the [Inclusion Information Form](#) available at your local community centre or online at vaughan.ca/camps before the first day of camp and submit to inclusion@vaughan.ca.

Camp Hours: The camp day is 8:30am to 4:30pm. Camp programming runs from 9am to 4pm. Before & After Care is available for campers who require care before the camp day begins, from 7:30-8:30am, and after the camp day has ended, from 4:30-6pm. Separate registration is required.

Summer Splashers

8 - 12 years

Dip into summer! This camp, for children who love spending time in water, provides a supportive environment where swimmers can build confidence and independence, while learning water safety and having fun. Daily aquatic activities include adapted water sports, relay races, cooperative games, and recreational swimming. Beyond the pool, campers will engage in exciting activities such as arts and crafts, games, and outdoor play throughout their day.

Note: Participants must be toilet-independent and able to participate in a group environment safely. Due to safety reasons, campers with a seizure disorder will require 1:1 staff support (cost is covered by parent/caregiver). No before and after care available for this camp.
