#### Message from Mayor Del Duca

Spring is around the corner - it's a wonderful time for new beginnings and growth. Learning a new skill or exploring something interesting enriches the body, mind and soul and our own personal growth. The City of Vaughan 2025 Spring Recreation eGuide is your one-stop shop for incredible opportunities and a diverse selection of programs, sports and activities for the whole family to enjoy.

Vaughan Community Centres, City Playhouse Theatre and the Vaughan Studios & Event Space offer programs and classes for every interest, age and ability – including family and inclusion classes.

Preschoolers can be enrolled in the Vaughan Playschool program for play-based learning in a creative and interactive environment or STEM-focused activities exploring math and science. Springboard your child's development through painting, dancing, skating or nurture their inner rockstar by learning an instrument or singing in the glee club. Families can also learn together by enjoying their passions of art, music or sports!

Youth can build essential life skills through engaging activities such as cooking and baking, mastering email etiquette, honing public speaking abilities, and preparing for interviews with confidence. Adults and seniors can join recreational sports programs and leagues that cater to all skill levels and feel the rhythm with dance lessons.

As an inclusive City, Vaughan offers programming designed to celebrate individuality and promote a sense of belonging for children and adults of all abilities.

To support our working parents, the City of Vaughan offers full-day programs and camps for P.A. Days and March Break for children ages four to 14 years across the city.

Flip through the 2025 Spring Recreation eGuide to check out the many fun opportunities to learn, play and grow!

Sincerely,

Steven Del Duca

Mayor

- Live, work, and play in a municipality that promotes community safety, health, and wellness, while safeguarding the natural environment.
- Live in a municipality in which all mandated services are delivered effectively and efficiently.

## March Break

## **Camp Basics for Parents**

#### Camps run March 10 to March 14.

This guide will help you and your child prepare for camp.

When registering in PerfectMind, ensure all personal information is up to date, including emergency contacts, adult(s) who are permitted to pick-up your child(ren) from camp site, medical history and dietary restrictions.

**Pre-Camp Communication:** Camp staff will contact parents/guardians if the personal information contained in your client profile is not up to date. This information will be verified at least once during the camp calendar year.

#### Safety is our top priority

If your child is sick, they must stay home and parents/guardians must inform the Camp Director.

#### Age requirements

- Camps for Ages 4-6:
   Required to be 4 years old by start of camp no age override allowed.
- Camps for Ages 7+:
   Required to be 7 years old by end of
   year (December 31, 2025) no age
   override needed.

Our programs are carefully designed to be age-appropriate, with your child's development, safety, and maturity in mind. Children must meet the minimum age required by the start of a program except for school break and summer camps, where children must be within the age range of the camp by December 31 of the year the camp is taken; for preschool camps with a minimum age of 4, children must be of age at the start of camp.

Age exemptions will only be considered in extenuating circumstances, and we are unable to consider requests that pose a risk to children's safety (e.g. aquatic programming).

To be considered for an age exemption or to discuss alternate programming options, speak to the Recreation Lead at your local community centre or email rec@vaughan.ca.

Aquatic Camps: All campers must be of age at the start of any aquatic camp. Due to health and safety guidelines, the City of Vaughan swim admission policy, and the requirements set by the Lifesaving Society, there will be no age overrides for aquatic camps. Refer to Swimming Lessons: Frequently Asked Questions or email swim@vaughan.ca for further inquiries.

#### **Recreational swimming**

Children in full-day camps located at a facility with a pool (refer to the list of recreation facilities), will participate in recreational swimming throughout the week. Some exceptions apply such as half day camps and specialty camps offered in partnership unless otherwise stated.

Parent/guardian permission is required for campers to participate in camp recreational swimming. This can be indicated when completing the questionnaire upon registering.

Recreational swim times, supervised by qualified City of Vaughan lifeguards and camp staff, have been scheduled into camp programs. Campers aged under 7 years will not participate in recreational swimming.

Alternate programming will be provided.

For campers aged 7-9 years who do not pass the admission standard, we will attempt to place camper with a camp counsellor where resources allow. Should this not be possible, alternate programming will be provided.

Please review our **Pool Guidelines & Safety Standards** to clarify admission and supervision requirements for your camper.

#### **Camper group requests**

Unless otherwise stated, campers are grouped according to chronological age, and/or skill level. Occasionally, circumstances arise whereby it may be desired to group a child together with their friends or family of a similar age in the same program.

Indicate your request when registering, we will attempt to accommodate to the best of our ability for no more than two campers of the same age. All parties involved must be aware and request when registering. These requests cannot be guaranteed.

#### **Campers with disabilities**

If your child has a disability or requires 1-on-1 support, please email **inclusion@vaughan.ca**.

#### **Camp hours**

Programming will run from 9 a.m. to 4 p.m. daily with flexible drop-off from 8:30 a.m. and 9 a.m. and pickup available between 4 p.m. and 4:30 p.m. Flex drop-off and pick-up is not available for any half day camp.

#### **Pick-up procedures:**

- Photo ID will be required at each pick-up.
- Self sign-out is allowed for campers 10 years of age or older with signed permission.
- Campers will be released to only those people listed on the PerfectMind client profile.

Remember to pick-up your child(ren) on time after their long (but fun!) day at camp. Repeated lateness will be subject to a late fee charge, and may result in removal from the program for the duration of the session with no refund.

Minutes Late	Fee
0-10 minutes	\$15
11-20 minutes	\$30
21-30 minutes	\$45
31-60 minutes	\$60

#### In case of emergencies

Call Service Vaughan at 905.832.2281 and ask for the customer service desk at the community centre of your child's camp to contact the Camp Director during camp hours.

## Camper lateness, absenteeism or changes to pick-up/drop-off

Leave a message for the Camp Director if your child is going to be late, absent or if there are any changes in your pick-up/drop-off routine immediately. We will follow-up with a phone call if a camper has not arrived by start time.

#### What to bring

We ask that your child brings only the recommended items to camp in an effort to keep personal items to a minimum.

#### Lost & found

Please inquire, at drop-off/pick-up, regarding any lost items. Lost items will be kept for one week following the end of camp.

**Note:** The City of Vaughan does not accept responsibility for items brought to camp, which are lost, stolen, or damaged. To avoid disappointment, campers are encouraged to leave these personal items or money at home.

#### **Camper safety & security**

The City of Vaughan is committed to ensuring a respectful environment, free from harassment and discrimination. Our camps aim to create an atmosphere where each camper feels safe and respects the rights of others.

Recreation staff will make every effort to integrate a participant into programming and accommodate their individual needs.

If a child demonstrates challenging/difficult behaviour, staff will endeavour to provide the necessary assistance to minimize that behaviour using positive behaviour management strategies. If a child is involved in any incidents, parents will be notified immediately.

The City will not tolerate or condone discrimination, harassment, violence, verbal abuse or vandalism. Through the City of Vaughan's Corporate Health and Safety Policy and under Recreation Service's Safe Community Centres Policy, we reserve the right to remove a participant from the program.

For more information & how-to videos, refer to our Registered Programs Frequently Asked Questions webpage.

#### **Guidelines on food allergies**

- All camps are an 'allergy aware' environment. Due to the public space of our buildings, we cannot guarantee the environment to be allergen-free.
- All parents share in a responsibility to read food labels and to not send products that contain/may contain traces of peanuts/nuts, or that do not carry a complete list of ingredients (i.e. bulk food, from on-site bakeries, etc.)

Where there is a life-threatening allergy to nuts or other allergens (confirmed by a family physician), parents will be notified by letter, and requested to avoid sending the identified food.

 Campers with items known to cause life-threatening reactions, will be moved to a private area to eat their food. Staff will instruct campers on proper hand washing techniques for before and after meals.

### Medical information & medication

Ensure all medical information is up to date on your PerfectMind client profile. Learn more about viewing and uploading documents to your customer profile on our **Registration FAQs** webpage.

Campers requiring medication at camp must affix a recent photo to a signed **Medication Dispensing Form**. Medication must be stored in original containers only and will be kept in the camp office. Please note that camp staff can assist campers with dispensing medication, however staff cannot administer medication.

**Note:** Recreation Services staff are not responsible for lost or damaged medications left in the campers' care.

#### Life-threatening allergies

Campers with a life-threatening allergy are required to complete the **Anaphylaxis Emergency Plan** early to ensure the camp site is well prepared for the camper's needs.

When complete, upload to your PerfectMind client profile, under the documents section.

## **Before & After Care**

## Need to drop off your child early and pick them up late?

The camp day is 8:30am to 4:30pm.
Camp programming runs from 9am to 4pm.
Our supervised Before & After Care program is available for campers who require care before the camp day begins, from 7:30-8:30am, and after the camp day has ended, from 4:30-6pm.
Children enjoy fun camp activities and games.

#### The City of Vaughan is committed to:

 providing a welcoming and inclusive environment where diversity is celebrated and where everyone can develop to their full potential, participate freely in society, and live with respect, dignity and freedom from discrimination

 providing high quality accessible leisure opportunities for citizens of all ages and abilities

 identifying and removing barriers in accessing recreational services

 collaborating and supporting the ongoing efforts of the Vaughan Accessibility Advisory Committee

 celebrating successes and initiatives that promote accessibility, diversity, equity and inclusion.

For information, contact the **Inclusion and Support Services** 905-832-2281 ext 7408 or inclusion@vaughan.ca

#### **Program Code of Conduct**

The City of Vaughan is committed to ensuring a respectful environment, free from harassment, discrimination, violence, verbal abuse or vandalism. Recreation staff will make every effort to integrate a participant into programming and accommodate their individual needs. However, under the City of Vaughan Health and Safety Policy and Safe Community Centres Policy we reserve the right to remove and withdraw a participant from the program should their behaviour pose a potential risk of self-harm, or harm to other participants, staff, patrons or property.

**Note:** Participants must first complete an assessment prior to being registered into a program. Inclusion staff will contact the parent/guardian to assess the needs of their child and identify their eligibility for the program, then complete a **Participant with a Disability Form** and register the participant.

## **Inclusion Support**

Recreation Services encourages and supports the participation of individuals with disabilities in diverse recreational opportunities, at a level of participation suitable to their ability and program of choice.

If an individual requires support to participate in a program, a caregiver/guardian can accompany the individual into a program free of charge.

To determine the eligibility criteria for a Support Person Access, you must complete an assessment with the Recreation Supervisor, Inclusion and Support Services at 905.832.2377 ext. 7405 or email inclusion@vaughan.ca.

#### **Need an Inclusion Counsellor?**

Your child will require 1:1 support to participate in all recreational programs if he/she:

- requires additional support at school, home or in the community with basic needs such as dressing, personal care or feeding;
- has a tendency to exhibit aggressive behaviours;
- · does not understand danger;
- has a disability that affects his/her communication, mobility, comprehension and/or socialization.

If your child requires 1:1 support, arrangements can be made to hire an Inclusion Counsellor (an experienced 1:1 worker) on your behalf. Inclusion staff receive specialized training and are certified in:

- Standard First Aid & CPR-C
- High Five Quality Assurance
- · Safe Management Non-violent Crisis Prevention Certification

**Note:** It is the responsibility of the parent/guardian to cover the cost of the Integration Counsellor.

#### **Need a Volunteer?**

Volunteer support is offered to an inclusion program participant that:

- · is diagnosed with a disability;
- requires some support, may have difficulties with completing tasks, following directions and/or social skills.

#### Note:

- Demand for volunteers often exceeds supply and cannot be guaranteed.
- Volunteers may be working with individuals with disabilities for the first time.
- They do not assist with personal care, administering medication, lifts and transfers, or with children with behavioural challenges.

For health and safety reasons, if a volunteer is not available or suitable for a participant's needs, parents/caregivers will be required either to provide their own support worker or hire an Inclusion Counsellor through the Department.
