

Disruption Alert

Improvements are coming to select parks in the Ward 5 community!

Conley Park North (120 Conley St.)

Improvements include the installation of a new steel shade structure with seating. To safely complete the work, the playground and portions of the pathway will be closed during construction. Signs and barriers will be in place to guide visitors. Work is anticipated to begin in April and take approximately six weeks to complete, pending weather and site conditions.

Promenade Green Park (25 Carl Tennan St.)

Improvements include the installation of a new steel shade structure with seating. To safely complete the work, portions of the pathway may be temporarily closed during construction. Signs and barriers will be in place to guide visitors. Work is anticipated to begin in April and take approximately six weeks to complete, pending weather and site conditions.
