NOTICE: Road closure extended on Crestwood Road, from Hilda Avenue to Powell Road

To safely install a new natural gas line as part of the Yonge North Subway Extension, a road closure is required on Crestwood Road, from Hilda Avenue to Powell Road. **This road closure has been extended until Friday, July 11, from 7 a.m. to 5 p.m., daily**, due to weather-related scheduling challenges – including rain, several days of extreme heat and the need to ensure a safe environment for restoration work.

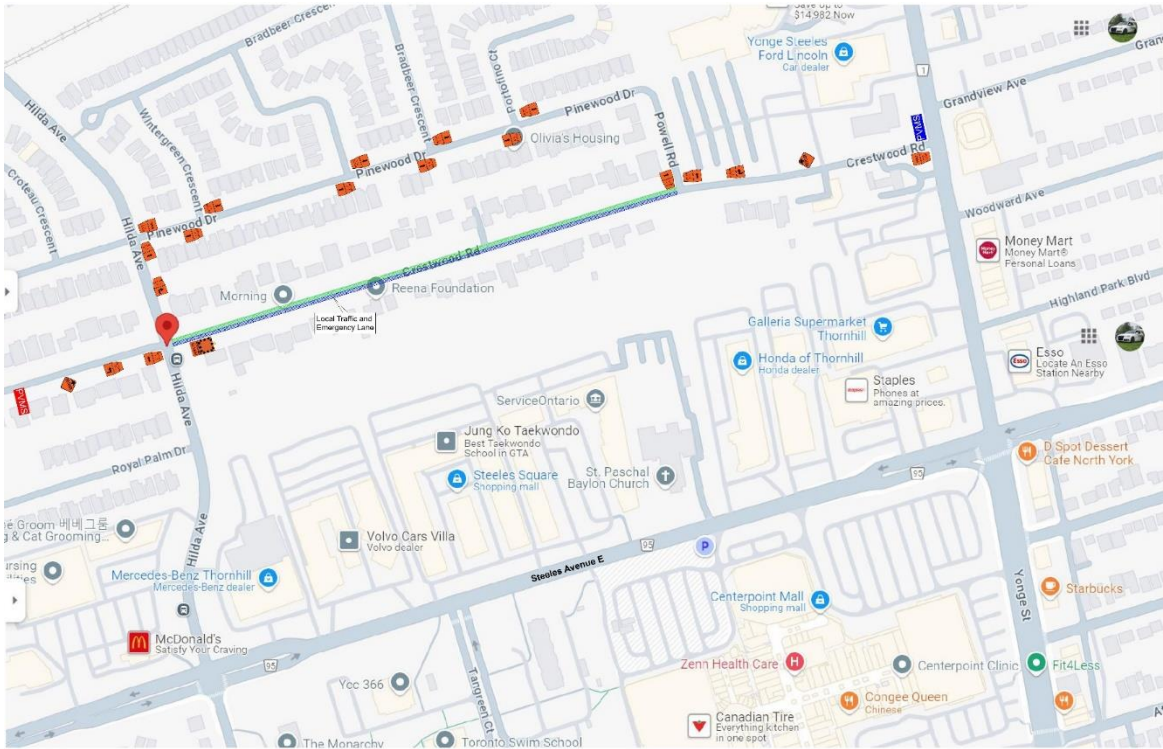

Detour signage will be in place to direct traffic and access to all driveways in the closure area will remain available. Questions about the work can be directed to Metrolinx by email at YongeSubwayExt@metrolinx.com. More information about the Yonge North Subway Extension is available at metrolinx.com/YongeSubwayExt.
