

Disruption Alert

NOTICE: Section of Peter Rupert Neighbourhood Walk closed

Construction of Martin Tavares Park (130 Martin Tavares Way) and an adjacent residential development are currently underway. To safely complete the work, the Peter Rupert Neighbourhood Walk is **closed to the public, between Rutherford Road and the southwest corner of the Cook Woodlot**. It is anticipated to reopen in September, pending site and weather conditions.

Signs and barriers are in place to guide pedestrians. For your safety, please respect all posted construction signage and fencing, stay out of work areas, away from equipment and machinery, and off the service road west of the stormwater management pond, which is **only** for maintenance vehicles.

About the project:

The new Martin Tavares Park will include sport courts, playgrounds, a splashpad, an open lawn area, a local off-leash dog area, improved trail connectivity to the nearby Rutherford GO station and much more! Construction is currently underway and anticipated to be complete by 2027.
