## NOTICE: Improvements are coming to Velmar Downs Park!

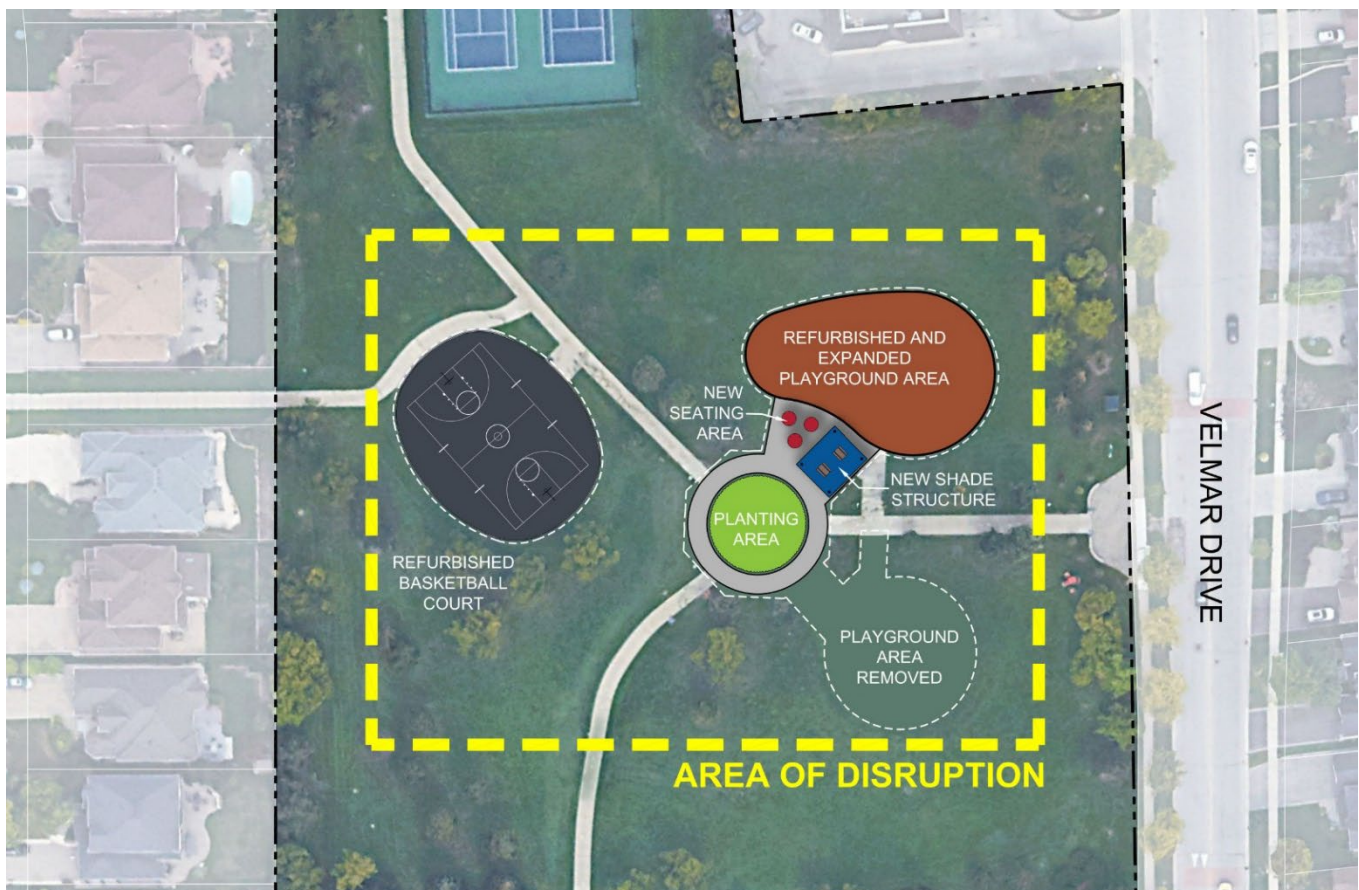

The City of Vaughan is making improvements to Velmar Downs Park (30 Velmar Dr.), including renewing the playground, renovating the basketball court and adding a new shade structure.

Work is scheduled to begin in September and is expected to be completed in spring 2026, subject to site and weather conditions.

To safely complete the work, the basketball court and playground will be temporarily closed during construction. The tennis courts will remain open and accessible. Signs and barriers will be in place to guide visitors.
