

Disruption Alert

NOTICE: New concrete pathway around Golden Forest Pond

The City of Vaughan is constructing a concrete pathway around the southeast corner of Golden Forest Pond, from Golden Forest Road to the existing multi-use trail along the west side of the pond. The work will also include the installation of a new culvert behind some of the homes that back onto Cook Woodlot.

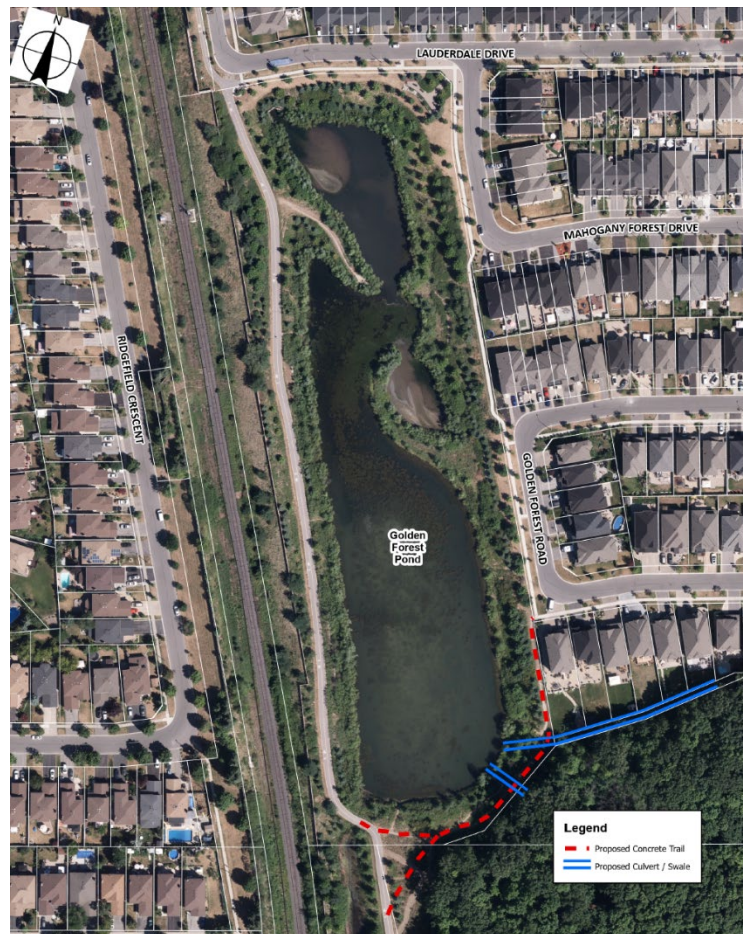

Weather permitting, the work will be completed in the following phases:

- Site preparation, including tree removal: scheduled to begin on Tuesday, Feb. 17, and expected to take approximately two days
- Culvert installation: May to June 2026
- Concrete path installation: July to August 2026

To safely complete the work, the construction area will be closed to the public. Signs and barriers will be in place.
