NOTICE: Improvements are coming to Rosedale North Park!

The City of Vaughan is making improvements in Rosedale North Park (350 Atkinson Ave.), including replacing the existing shade structure with one that includes lighting, concrete paving and a new picnic table.

Work is scheduled to begin in May 2026 and is expected to be complete in July, subject to site and weather conditions.

To safely complete the work, areas of the park may be closed to the public during construction. Signs and barriers will be in place to guide visitors.
