

Disruption Alert

NOTICE: Huntington Road closed North of Trade Valley Drive

Huntington Road is closed north of Trade Valley Drive, between 8811 and 8934 Huntington Rd., for emergency repair work following the severe weather in Vaughan on Sept. 2. During the storm, the culvert under Huntington Road was damaged, resulting in a large sinkhole at the Rainbow Creek crossing.

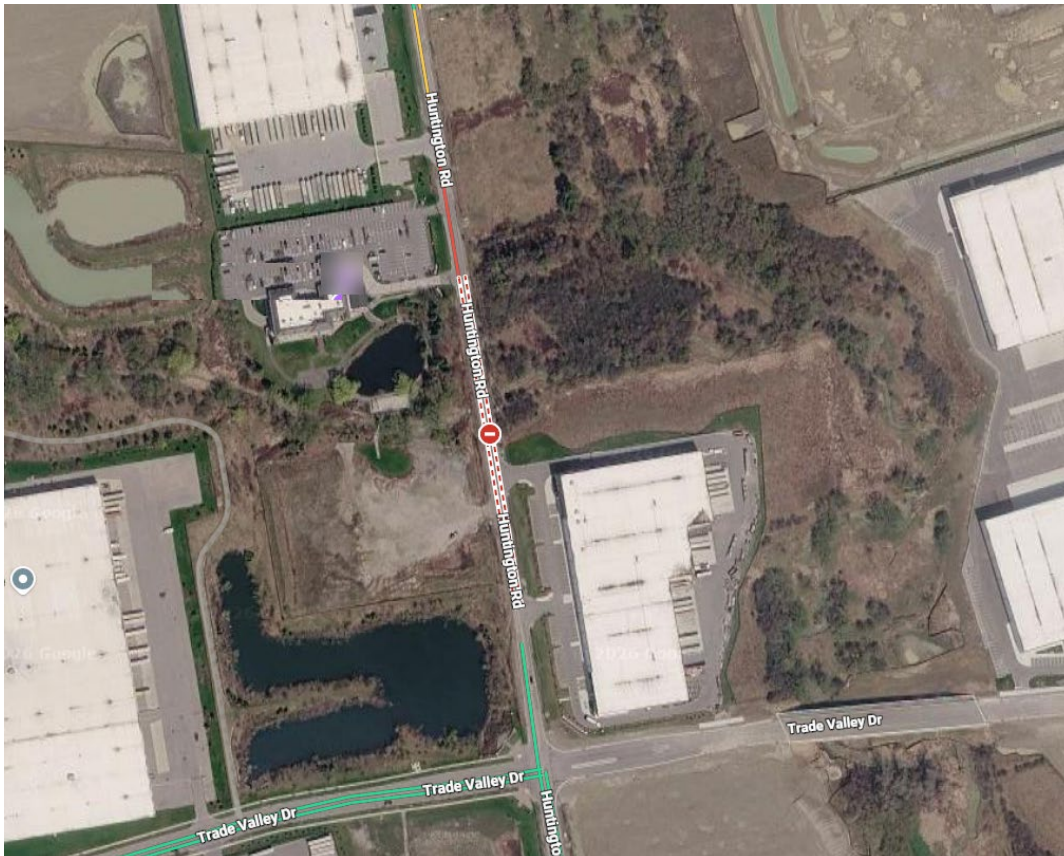

To mitigate future flooding, the City is working with key stakeholders, including the Toronto and Region Conservation Authority (TRCA), Enbridge and the City's Water Services Department to upgrade the culvert and restore the road as quickly and safely as possible.

More about the closure

- Properties located north of the closure can be accessed from Rutherford Road.
- Properties located south of the closure can be accessed from Langstaff Road and Trade Valley Drive.
