

Disruption Alert

NOTICE: Additional improvements are coming to the off-leash dog area within Mackenzie Valley Park!

The City of Vaughan is making additional improvements to the off-leash dog area within Mackenzie Valley Park (5851 Major Mackenzie Dr.). Incorporating feedback from dog owners, improvements will include reconfiguring the entrances and installing lighting.

Construction will be completed in phases according to the following schedule:

Phase 1 is anticipated to commence in October 2026 and be completed by the end of November 2026, weather permitting. Work will include reconfiguring the entrances and landscaping.

Phase 2 is anticipated to begin in January 2027 and be completed by the end of February 2027, weather permitting. Work will include lighting installation in the parking lot, at the shade structures and within the off-leash dog areas.

To safely and efficiently complete the work, the park will be closed to the public during each phase of construction. Signs and barriers will be in place to guide park visitors.
