Disruption Alert

NOTICE: Sanitary Sewer Installation along Portage Parkway

The City of Vaughan is installing a new sanitary sewer along Portage Parkway, from Applewood Crescent to Edgeley Boulevard, as part of Portage Parkway Road Widening Project. Construction will take place in phases according to the following schedule:

Phase 1: Work is scheduled to begin on **Monday, October 26 and is anticipated to be completed by Thursday, Oct. 29**, weather permitting. To safely and efficiently complete the work, the following temporary traffic restrictions will be in place:

- The intersection at Portage Parkway and Edgeley Boulevard will be partially closed.
- The southernmost driveway at 200 Edgely Blvd. will be closed.
- Edgeley Boulevard will be fully closed from Portage Parkway to approximately 120 metres north of the intersection.
- The westbound lanes of Portage Parkway will be closed from Buttermill Avenue to Applewood Crescent.

Phase 2: Work is scheduled to begin on **Thursday, Oct. 29 and is anticipated to be completed by Friday, Nov. 20**, weather permitting. To safely and efficiently complete the work, Portage Parkway will be reduced to one eastbound lane between Applewood Crescent and Edgeley Boulevard.

Phase 3: Work is scheduled to begin on **Monday, Nov. 23 and is anticipated to be completed by Thursday, Nov. 26**, weather permitting. To safely and efficiently complete the work, the following temporary traffic restrictions will be in place:

- Lane reductions will be in place on Applewood Crescent from Apple Mill Road to approximately 80 metres north of Portage Parkway.
- The westbound lanes of Portage Parkway will be closed between Applewood Crescent and Edgeley Boulevard.
- Applewood Crescent will be reduced to a single lane in both directions and left turns will be prohibited at Portage Parkway.
- Driveways on the north side of Portage Parkway will be closed in the work area.

Traffic control and detour signs will be in place throughout construction.
