Item 32, CW Report No. 27 – Page 2

#### Economic Impact

The lowest compliant Tender T16-235, submitted by the bidder, will be determined after the bid closes on Friday June 3, 2016. The economic impact resulting from this contract will be discussed in the subsequent communication item to Committee of the Whole on June 21, 2016; and it is anticipated to fall within the approved 2016 Capital Project RP-2035-16.

#### Communications Plan

There is no communications plan associated with this report.

#### Purpose

The purpose of this report is to provide the Committee with information on the curb and sidewalk repair and replacement program, and recommend that Council consider the supplementary communication regarding T16-235, which has been provided to Committee of the Whole on June 21, 2016, and which includes a synopsis of the bid results and an award recommendation.

#### Background

**The Transportation Services, Parks and Forestry Operations Department administers the repair and replacement of broken, damaged or hazardous curbs and sidewalks.**

The need for curb and sidewalk repairs and replacements is based on Staff inspections and citizen reporting. From the inspections and reporting a master list is developed and priority is assigned to each curb or sidewalk requiring repair and/or replacement. Work is then administered each year from the master list based on the priority assigned to each curb or sidewalk.

**Tender T16-235 reflects an integrated approach to curb and sidewalk repair and replacement for the City's parks and roads infrastructure.**

The continued integration of the former Parks and Roads Divisions, within Transportation Services, Parks and Forestry Operations, has allowed Staff to identify synergies and opportunities to improve operational performance.

As such, Tender T16-235 has integrated the two (2) separate curb and sidewalk repair and replacement contracts maintained by the former Parks and Roads Divisions into one consolidated contract to increase efficiencies.

**In May 2016, the City invited bidders to bid on the Tender T16-235.**

Purchasing Services advertised the Tender T16-235 on the City of Vaughan's Bids Opportunities Website, Ontario Public Buyers Association's Website and on Biddingo on May 17 2016, with a closing date of June 2, 2016.

**Following the deadline for the submission of bids, Staff will provide a subsequent communication to Committee of the Whole that will include a synopsis of the bid results and an award recommendation.**

This communication item that will include a synopsis of the bid results and an award recommendation will be brought forward to Committee of the Whole on June 21, 2016.
