The Committee of the Whole recommends approval of the recommendation contained in the following report of the Sign Variance Committee, dated June 11, 2013:

Recommendation

The Sign Variance Committee recommends:

That Sign Variance Application SV.13-005, Ceit Management Ltd., be APPROVED.

Contribution to Sustainability

N/A

Economic Impact

None.

Communications Plan

The results of this application will be communicated to the applicant through the Secretary to the Sign Variance Committee.

Purpose

The applicant is proposing to construct a wall sign which is located on a tower structure above the roof line of the building, as shown on the attached plans.

Background - Analysis and Options

Sign By-law Requirements (By-Law 203-92, as amended):

Section 5 – Prohibited Signs:

No person shall erect, install, post, display, maintain or keep on a Premises any of the following types of signs:

Section 5.8 Roof Signs and signs erected in part or entirely above the surface of the roof of a building or structure.

Section 6.2 (a) Where a site plan approved by the City provides standards for signage and the signs for the development comply therewith, such signs shall be deemed to comply with this By-Law.

Noting the above, where the property is regulated by a site plan agreement approved by the City, only those wall signs and pylon signs approved under the site plan agreement are deemed to be permitted by the City's Sign By-Law.

Item 3, CW Report No. 28 – Page 2

Relationship to Vaughan Vision 2020/Strategic Plan

This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved.

Regional Implications

Region of York Engineering approval is not required for the proposed signs.

Conclusion

The applicant is proposing to construct a wall sign which is located on a tower structure as shown on the attached plans. The proposed sign has a sign area of a 39.2 sq.m. and is to be located above the roof of the attached buildings. The proposed sign is to advertise the whole plaza and no individual units/premises.

Members of the Sign Variance Committee have reviewed the application and have no objections to the application as submitted. In the Committee's opinion, the intent and purpose of the City's Sign By-law is being maintained.

If Council finds merit in the application, a Sign Permit issued by the Building Standards Department is required.
