Purpose

The purpose of this report is to inform Council that the municipal services constructed pursuant to the Subdivision Agreement between Bathurst Contwo Investments Limited and the City are complete and can be considered for assumption by the City.

Background - Analysis and Options

The Yeshiva (Ner Israel) Phase 1 Subdivision, Plan of Subdivision 65M-3650, is a residential development comprised of 91 single lots, 6 part blocks, 4 townhouse units and 1 woodlot block and is located west of Bathurst Street and south of Rutherford Road in Ward 4 as shown on Attachment No.1.

The Subdivision Agreement with Bathurst Contwo Investments Limited was executed on November 15, 2002 and the Plan of Subdivision was subsequently registered on March 12, 2003. The construction of the roads and municipal services in Plan 65M-3650 was considered substantially complete on March 1, 2011.

The Developer has maintained the municipal services in the subdivision during the required minimum thirteen month maintenance period and has rectified all deficiencies. All documents required for assumption have been received and the grading of all lots in the subdivision has been certified by the developer's engineering consultant.

Development inspection staff, in conjunction with the developer's consulting engineer, has conducted all necessary inspections of the municipal services and are now satisfied with the extent of the work.

Clearances have been received from all pertinent City Departments including Development Engineering and Infrastructure Planning, Development Planning, Building Standards, Transportation Services, Parks and Forestry Operations, Parks Development, Environmental Services and Office of the City Clerk. In addition, the Financial Planning and Development Finance department has confirmed that all of the City's financial requirements associated with this subdivision have been satisfied.

Accordingly, Bathurst Contwo Investments Limited has requested the municipal services constructed in conjunction with the Yeshiva (Ner Israel) Phase 1 Subdivision Agreement be assumed by the City.

Relationship To Term of Council Service Excellence Strategy Map (2014-2018)
