Item 23, CW Report No. 31 – Page 2

Variance Analysis:

The applicant is requesting additional signage on the South and East elevations of the building that are above and beyond the approved signage locations under the Site Plan Agreement. The Planning Department has requested the applicant submit a Sign Variance application in lieu of amending their Site Plan Approval.

**Relationship to Term of Council Service Excellence Strategy Map (2014-2018)**

This report supports the goals established by Council in the Vaughan Vision 2020/Strategic Plan, in particular:

Service Excellence – Promote Community Safety, Health & Wellness.

**Regional Implications**

Region of York Engineering approval is not required for the proposed signs.

**Conclusion**

The Sign Variance Committee has no objection to the sign variance request subject to a minor amendment to the location of one of the proposed wall signs.

If Council finds merit in the application a Sign Permit issued by the Building Standards Department is required.
