Item 44, CW Report No. 32 – Page 2

Background - Analysis and Options

Sign By-law Requirements (By-Law 203-92, as amended):

Section 6 – General Provisions for All Signs:

6.1 Limit on Number of Signs:

One (1) only of the following sign types per exterior wall per business premises:

a) Wall sign

Relationship to Vaughan Vision 2020/Strategic Plan

This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved.

Regional Implications

Region of York Engineering approval is not required for the proposed signs.

Conclusion

The applicant is proposing one (1) additional wall sign for both the front and rear elevations of the building, as shown on the attached plans. The proposed signs comply with the maximum height, area, and location requirements of the Sign By-law. A Building Permit has been issued for the retail pharmacy use with an accessory Doctor's Office use. (Must be interpreted as Single business premises.) Both occupancies are accessed by a single entrance.

Members of the Sign Variance Committee have reviewed the application and have no objections to the application as submitted. In the Committee's opinion, the intent and purpose of the City's Sign By-law is being maintained.

If Council finds merit in the application, a Sign Permit issued by the Building Standards Department is required.
