Contribution to Sustainability

This is not applicable to this report

Economic Impact

The property tax sale registration process provides an effective tool in the collection of outstanding property taxes since any unpaid taxes become the responsibility of the City. The City must still meet the financial levy obligations to the Region of York and the Province of Ontario for education purposes.

Communications Plan

As required by the *Municipal Act, 2001* and the Municipal Tax Sales Rules, O.Reg.181/03 as amended, the properties will be advertised for sale at least once in *The Ontario Gazette* as well as once a week for four weeks in local newspapers.

Purpose

Further to Council being informed at the meetings held in December 2007 and November 2009, the purpose of this report is to advise Council that Finance staff will be proceeding with ten (10) property tax sales in accordance with the *Municipal Act, 2001*.

City staff have had discussions with the owners/corporations that have an interest in these properties and it has been made clear that they no longer wish to be responsible for these properties and have no intention of paying the outstanding property taxes.

As a result of these discussions, and further to the Council meetings held December 2007 and November 2009 respectively, staff proceeded to have Tax Arrears Certificates registered against the properties and all necessary notices have been sent to all parties that have an interest in the lands. There is a one-year period following the registration of the Tax Arrears Certificate when the owner may pay the taxes and costs in full, or enter into an extension agreement with the City. The one-year period has now passed and the taxes have not been paid. None of the owners have expressed an interest in making payment arrangements. Where this is the case, the *Municipal Act, 2001*, states that the property shall then be offered for public sale. It is staff's intention to proceed with a tax sale by public tender, with a tender amount sufficient to cover all outstanding taxes, penalty, interest and costs.

Should there be successful purchaser the City will be covered for all outstanding monies, and clear title will be available to the purchaser. If there are no successful bids received for the tender amount, the municipality has the authority to write-off the outstanding taxes as uncollectible and vests the ownership of the property to the City. Should this be the case, staff will prepare a further report to Council and request direction in that regard.

A "Request for Comments" notice has been sent to all applicable City Departments in order to bring this course of action to the attention of City Staff.

Relationship to Vaughan Vision 2020

This report is consistent with the priorities set forth by Council in Vaughan Vision 2020 and the necessary resources have been allocated and approved.

Conclusion

Finance staff will proceed with the property tax sale on the ten properties by public tender.
