Item 4, CW Report No. 39 – Page 2

Purpose

The purpose of this report is to inform Council that the municipal services constructed pursuant to the Subdivision Agreement between Hyatt Homes (Wigston) Inc. and the City are complete and can be considered for assumption by the City.

Background - Analysis and Options

The Hyatt Homes Subdivision is located east of Bathurst Street and south of Highway 407 in Ward 5 as shown on Attachment No.1. The Hyatt Homes Subdivision is a 7 lot residential development located on the north side of Wigston Place.

The Subdivision Agreement with Hyatt Homes (Wigston) Inc. and the City was executed on April 18, 2006 and the Plan of Subdivision was subsequently registered on July 10, 2006 as 65M-3912. The reconstruction of Wigston Place was completed by Remington Homes so the Hyatt Homes Subdivision Agreement only includes the installation of service connections, boulevard trees, lot grading and streetlighting. The construction of these works was substantially completed in 2009.

The Developer has maintained the municipal services in the subdivision during the required minimum thirteen month maintenance period and has rectified all noted deficiencies. Engineering staff, in conjunction with the Developer's Consulting Engineer, have conducted all the necessary inspections of the municipal services in the subdivision and are now satisfied with the extent of the works.

All documentation required by the Subdivision Agreement for assumption has been submitted. In addition, the Developer's Consulting Engineer has certified that all the lots in the subdivision have been graded in accordance with the approved construction drawings and City standards. Accordingly, Hyatt Homes has requested that the municipal services in the subdivision be assumed by the City.

The Commissioner of Engineering and Public Works has received clearance from all pertinent City Departments including Development/Transportation Engineering, Development Planning, Parks Operations and Forestry, Parks Development, Public Works, and Clerks. In addition, the Development Finance and Investments Department has confirmed that all of the City's financial requirements associated with this subdivision have been satisfied.

Relationship to Vaughan Vision 2020

The construction and assumption of these municipal services are consistent with Vaughan Vision 2020, which encourages management excellence through planned and managed growth and the maintenance of City assets and infrastructure. This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved.

Regional Implications

There are no Regional implications with respect to the assumption of the municipal works within this subdivision development.

Conclusion

The construction of the municipal services associated with the Hyatt Homes Subdivision, 65M-3912 has been completed in accordance with the Subdivision Agreement. Accordingly, it is appropriate that the municipal services set out in the Subdivision Agreement for the Hyatt Homes Subdivision, Plan 65M-3912 be assumed and the Municipal Services Letter of Credit be released.
