SHERWOOD PARK DRIVE TRAFFIC STUDY REVIEW

The Committee of the Whole recommends approval of the recommendation contained in the following resolution submitted by Councillor Iafra, dated December 2, 2014:

Member's Resolution

Submitted by Councillor Marilyn Iafra.

Whereas, Sherwood Park Drive, is a two lane residential road from Keele Street to Rutherford Road; and

Whereas, York Region Transportation Committee approved traffic signals at Sherwood Park Drive and Rutherford Road on January 24, 2013; and

Whereas, residents within the community have raised safety concerns for EMS access to local streets as a result of the significant increase in traffic by motorists using Sherwood Park Drive as a short cut to Rutherford from Keele Street; and

Whereas, a traffic study was conducted by City of Vaughan Engineering Services in Fall 2014; and

Whereas, local residents have expressed interest in meeting with staff to review the traffic study;

It is therefore recommended that an evening meeting be scheduled for staff to meet with local residents to discuss the findings of the traffic study and consider potential solutions.
