Item 11, Report No. 42, of the Committee of the Whole, which was adopted, as amended, by the Council of the City of Vaughan on October 29, 2013, as follows:

***By approving the following:***

***That Confidential Communication C22 from the Commissioner of Legal & Administrative Services/City Solicitor and the Commissioner of Engineering and Public Works, dated October 29, 2013, be received.***

**11                                      ASSUMPTION – FISTON PHASE 2 SUBDIVISION  
   PLAN OF SUBDIVISION 65M-3098 (19T-88080)  
   WARD 1 – VICINITY OF MAJOR MACKENZIE DRIVE AND JANE STREET**

The Committee of the Whole recommends approval of the recommendation contained in the following report of the Commissioner of Engineering and Public Works and the Director of Development/Transportation Engineering, dated October 15, 2013:

**Recommendation**

The Commissioner of Engineering and Public Works and the Director of Development/Transportation Engineering recommend:

1. That Council enact the necessary by-law assuming the municipal services that are set out in the Subdivision Agreement for the Fiston Phase 2 Subdivision Plan 65M-3098 and the Municipal Services Letter of Credit be released.

**Contribution to Sustainability**

The municipal services recommended for assumption in this report have been designed and constructed in accordance with City standards which include consideration for sustainability.

**Economic Impact**

Upon assumption of this development, approximately 1.3 lane kilometers of roadway and associated municipal services including storm and sanitary sewers, watermain, street lighting, sidewalk, trees, boulevard trees, etc., will be added to the City's network of infrastructure. This additional infrastructure is valued at \$782,120 and will incur the normal expense associated with annual operation and maintenance activities of approximately \$23,610 as shown on the following chart:

| Item Description | As Constructed Costs | Approximate Annual Operating Costs (*) |
|------------------|----------------------|--|
| Watermain        | \$ 94,890            | \$ 4,720                               |
| Storm sewers     | \$203,900            | \$ 1,200                               |
| Sanitary Sewers  | \$ 88,300            | \$ 3,060                               |
| Road             | \$350,770            | \$10,400                               |
| Street lights    | \$ 18,000            | \$ 2,760                               |
| Trees/Landscape  | \$ 26,260            | \$ 1,470                               |

### **EXTRACT FROM COUNCIL MEETING MINUTES OF OCTOBER 29, 2013**

#### **Item 11, CW Report No. 42 – Page 2**

The life cycle costs associated with this additional infrastructure will be accounted for in the City's future multi-year budgets.

#### **Communications Plan**

The pertinent City departments will be notified of the assumption of the municipal services associated with this development agreement.

#### **Purpose**

The purpose of this report is to inform Council that the municipal services constructed pursuant to the Subdivision Agreement between Fiston Holdings Limited and the City are complete and can be considered for assumption by the City.

#### **Background - Analysis and Options**

The Fiston Phase 2 Subdivision is located east of Jane Street and south of Major Mackenzie Drive in Ward 1 as shown on Attachment No.1. The Fiston Phase 2 Subdivision is a residential development comprised of approximately 66 residential dwellings.

The Subdivision Agreement with Fiston Holdings Limited and the City was executed on August 22, 1996 and the Plan of Subdivision was subsequently registered on May 27, 1996. The construction of the roads and municipal services was substantially completed in 2009.

The Fiston Holdings Limited has maintained the municipal services in the development during the required minimum thirteen month maintenance period and has rectified all deficiencies. In addition, the grading of all lots in the subdivision was certified by the Developer's Engineering Consultant. Accordingly, the Developer has requested that the roads and municipal services in the subdivision be assumed by the City, and that the development securities held by the City be released.

All documentation required by the Development Agreement for assumption has been submitted. Engineering staff, in conjunction with the Developer's Consulting Engineer, have conducted all the necessary inspections of the municipal services in the subdivision and are now satisfied with the extent of the works with consideration for the age of the project.

The Commissioner of Engineering and Public Works has received clearance from all pertinent City Departments including Development/Transportation Engineering, Development Planning, Parks Operations and Forestry, Parks Development, Public Works, and Clerks. In addition, the Development Finance and Investments Department has confirmed that all of the City's financial requirements associated with this subdivision have been satisfied.

#### **Relationship to Vaughan Vision 2020**

The construction and assumption of these municipal services are consistent with Vaughan Vision 2020, which encourages management excellence through planned and managed growth and the maintenance of City assets and infrastructure. This report is consistent with the priorities previously set by Council and the necessary resources have been allocated and approved.

#### **Regional Implications**

There are no Regional implications with respect to the assumption of the municipal works within this subdivision development.

Item 11, CW Report No. 42 – Page 3

**Conclusion**

The construction of the roads and municipal services associated with the Fiston Phase 2 Subdivision, 65M-3098 has been completed in accordance with the Subdivision Agreement. Accordingly, it is appropriate that the roads and municipal services set out in the Subdivision Agreement for the Fiston Phase 2 Subdivision, Plan 65M-3098 be assumed and the Municipal Services Letter of Credit be released.
