Committee of Adjustment
(CONSENTS)

**Committee of Adjustment Requirements, Electronic Registration
Planning Act Consents - Section 53(42)**

Prior to electronic registration, a consent under Section 53(42) of the Planning Act could be issued in certificate form or be stamped directly on the document (Transfer/Deed, Transfer of Easement, Charge/Mortgage). Our usual practise was to stamp the consent on the document. Since the document itself had insufficient space to place the stamp, our practise was to stamp the consent on an attached schedule containing the legal description of the property to be severed.

Under electronic registration, since there is no opportunity to place a stamp on a paper document, our practise has been amended to issue the consent in certificate form.

In order to ensure that the legal description in the certificate matches that in the Notice of Decision, **we require a letter and a "Schedule Page" from the Applicant's Solicitor confirming the legal description of the subject lands, sufficient for registration purposes (the "Schedule Page" will be an attachment to the Certificate)**, and four copies of the registered Reference Plan.

Once we have satisfied ourselves that the legal description provided by the Applicant's Solicitor is correct, and that all other conditions for the consent have been met, we will issue the certificate, and the solicitor may complete the registration of the Transfer or Charge.

To complete our file, we require that the applicant's solicitor provide us with registration particulars after registration has been completed.

For information purposes only:

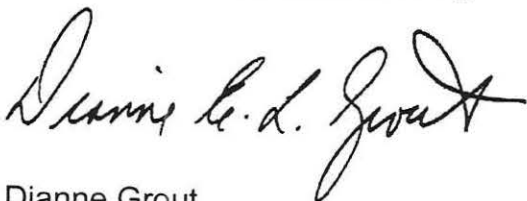

On a Transfer or Transfer of Easement, one of the following statements on the electronic Transfer must be selected and completed:

Statement 100: a consent from the NAME has been obtained for this severance and contains the following conditions: INSERT CONDITIONS OR 'NONE'

Statement 101: The NAME has consented to this severance herein: IMPORT CONSENT (i.e. scan the consent and attach it or type the consent verbatim).

As neither Statement 100 nor 101 appears in a Charge document, the consent must be typed verbatim or scanned and attached to the document in the Schedules section.

For information on electronic registration, please contact Teranet at 416-360-1190.

Secretary-Treasurer of the Committee of Adjustment
City of Vaughan
