Dear Rose Magnifico ,

We are member of the Vellore Community , at [REDACTED] Via Borghese, and fully oppose Vaughan city decision to approve aspects of the new development project.

I am writing this email based on the outcome of the May 23rd Vaughan Council meeting.

We were and are strongly oppose to following parts of new development:

1. Opening Via Borghese street.

We ask that you as my representative to account my voice for any decision to be made on June 5th!
