Item # 2  
Report No. 8 (PH)  
Council – February 18, 2014

Please be advised that we leave in City of Vaughan for 7 years and before 20 years in Richmond Hill.

We came to this community to enjoy the nature parks, quality of life. This new construction of Condos at 9000 Bathurst will make our life more difficult to commute and will force us to leave this home we love.
