Item # 2  
Report No. 8 (PH)

Council – February 18, 2014

I am a local resident. I object to the proposed development at 9000 Bathurst . The area is already congested and 2 buildings would be to much traffic for the area and the zoning should not be allowed to be changed Suzanne Spellman 11Plaisance Rd unit 5 Richmond Hill Ontario L4c 5 h1
