Dear Mr. Abrams,

I am writing this letter to you today in regards to the above noted file and proposed development at Dufferin and Centre Street. As a long time business owner and contributor to the community, I would like to add my support to the urban development adjacent to my store. I believe it is a great fit for the neighbourhood and will only enhance the community and the businesses that surround it. Please make my support known to council and should you require more information or comments from me, I would be glad to speak to council.

Thank you for your time,

Joe Greco
