Good Morning Mayor and Councilors:

It is the eve before a big decision for the Corporation of The City of Vaughan.

I hope the selection made tomorrow by this council will be a win/win solution. I just wanted to remind this selection committee some criteria that should be kept in mind, with your selection.

- The incumbent should understand the definition of Fiduciary duties.
- Vaughan has a notorious reputation for having the interest of developers, make sure the new councilor has a balanced approach.
- Make certain the incumbent has the best interest of the Corporation of the City of Vaughan when voting on council.
- The incumbent respects the professionals that are decision makers in the City
- This incumbent is a skilled speaker and a critical thinker.

I understand sometimes that you want to choose someone for other reasons. However this process should contain no biased approach.

My blessings to all, Good Luck.

Sincerely

Phyllis Barbieri
