Subject: Secondary Plan for New Community Areas

Report No.	<u>39</u>
<u>Council - OCTOBER 30   12</u>	

Hello,

I would like to express my support for the proposal to defer any decisions on the New Community Areas until after the Natural Heritage Network Study is completed. We need to have a very clear vision of what we want to see in terms of natural heritage and greenspace. We also need to be sure that we are designing communities that best reflect the goals of integrated, sustainable neighbourhoods. I don't feel we are at the point where we can ensure either of these.

Thank you,
