To Whom it may concern:

I am deeply concerned with the proposed development at Napa Valley and Islington Ave.

When I first moved to the Woodbridge area many many years ago. It was never to see high rise buildings in the Woodbridge area. Now all of a sudden we are seeing these buildings go up everywhere in Vaughan.

I live in this area and I definitely oppose of this development going up in this area. There is way too many homes in this area that are defined as prestigious areas to live in. We don't need condos built in this area.

City of Vaughan must not allow this to happen from a financial view. There are many areas in the city of Vaughan where Condos can be considered instead of an area that have Multi Million Dollars homes that residences have considered to spend life savings in order to move away from where condos are being built and considered.

THIS MUST NOT GO THROUGH !!!
