Subject: RE: Apartment Development Islington and Canada Parkway- Across Tim Hortons

To facilitate the proposed development, the Official Plan Amendment proposes to rezone the lands from "Low-Rise Residential" to "Mid-Rise Mixed-Use" and the Zoning E Amendment proposes to rezone the lands from the A Agricultural Zone to RA3 Apartment Residential Zone, with site specific exceptions.

All,

Please forward this information to all residents from Northeast southwest boundaries and make certain they send me an email asking for more information and petitions to be signed.

Thank You
