Sep 14 2017	Jody McCutcheon	52 Giotto Crescent	L6A 3N7	jody.mccutcheon@gmail.com	My wife and I just moved to Giotto Crescent within the last year, thinking it would be a great place to raise a family and live a quiet, peaceful life. The development of a highrise at Jane and Teston is very bad for the neighbourhood. It must not be allowed to happen.
Sep 14 2017	Praveena Sivananthan	52 Giotto Crescent	L6A 3N7	praveena15@gmail.com	My husband and I moved to the neighbourhood expecting a nice, quiet, family-friendly place to raise a child. The proposed high-rise development at Jane and Teston cause serious deterioration of the environment as well as the neighbourhood. Please reconsider the project, for the sake of the children.

Sep 16 2017	Lawrence Genga	Maple, Ontario	L6N 3N7	lgenga@rustoleum.ca	I am vehemently against the construction of condos and the opening of a major thoroughfare on my street. However if the pathway was to open up this would be highly unsafe. This means more cars driving down which can cause accidents for kids trying to ride their bikes, crossing the street and more.

						My concerns are: Increased traffic congestion on an already busy corner. Also, the building will be backing on to an already established subdivision and the proposed 11 stories will be unsightly and impede the neighbouring properties' privacy and peace.

As a driver I already spend so much time trying to get home from the Hwy 400/major mac exit. How is the city planning for this especially with the hospital going up as well. Would like to see a full plan about dealing with the congestion first
Sep 18 2017	Michal Kirejczyk	Maple 27 Thurso Close	L6A2B8	pankracy.pl@gmail.com		How is congestion in the area going to approached? That should be the priority before ANYTHING else is considered. Our area is already so conjested.

We, the residents living in the neighbourhood of Jane/Teston area oppose the construction of 11 Storey High complex at the South East Corner of Teston/Jane as per official Plan Amendment File OP.17.002 and Zoning Bylaw change File Z.17.003

We are a housing residential area. The city needs to allocate specific building areas for such properties. Not a location where it can have such a negative impact on the community around it. If this project is approved it would be out of sheer stupidity and greed.

High rise does not fit within the area. This will negatively affect the area in many ways. There already is not sufficient policing done in the area. Building a high rise to profiting builders will be on the backs of tax payers in the long run.
